Announcements

Prepared statements

Speakers at the Assembly of States Parties are advised that providing in advance copies of prepared statements which they intend to read out in the Assembly greatly facilitates the work of the Secretariat by permitting a sufficient number of copies to be distributed to all meeting participants and by assisting interpreters, reporters and press officers in maintaining the quality of the product delivered. Although interpretations rely upon the statement actually delivered, copies of texts help interpreters to correctly render details and nuances. Speakers are therefore encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery, to the Conference Officer in the World Forum Theatre.

Delegations are kindly requested to make 20 copies for minimum distribution to the podium and relevant services, and 250 additional copies for general distribution in the World Forum Theatre.

Delegations wishing to make statements available for the media are kindly requested to deliver 50 copies to the Documents Centre (Asia room).

Delegations are also invited to send by e-mail an electronic copy of their statement(s), in one or more of the six official languages, to ensure timely posting of the text on the Assembly web site and as a step to reducing paper usage. Statements should be sent to: asp@asp.icc-cpi.int.

Internet facilities

Wireless internet, as well as stand-alone PCs and electricity outlets, are available at the World Forum Convention Center.
