The Secretariat of the Assembly of States Parties presents its compliments to the Permanent Mission of ... to the United Nations and has the honour to refer to the mandate of the Review Conference to the Secretariat, set out in resolution RC/Res.1:

“...within existing resources, to facilitate the exchange of information between the Court, States Parties and other stakeholders, including international organizations and civil society, aimed at strengthening domestic jurisdictions, and *requests* the Secretariat of the Assembly of States Parties to report to the tenth session of the Assembly on progress in this regard;”

The mandate was renewed by the Assembly in resolutions ICC-ASP/9/Res.3, ICC-ASP/10/Res.5 and ICC-ASP/11Res.6. The Secretariat refers to its previous communications, ending with note verbale ICC-ASP/11/66 of 26 September 2012, by which it informed States of the establishment of an Extranet on complementarity and encouraged them to convey information on their complementarity-related activities for posting on the Extranet.

In this regard, the Secretariat wishes to hereby renew its call to States to convey information on their activities related to capacity building in the area of serious international crimes. The relevant electronic forms, available at: http://www.icc-cpi.int/en_menus/asp/secretariat%20contact/compforms/Pages/complementarity_forms.aspx may be completed and returned to the Secretariat. This would greatly facilitate the Secretariat in this aspect of the implementation of its mandate.

Furthermore, the Secretariat wishes to draw to the attention of States that the material submitted for the Extranet on complementarity has been transferred to the website of the Assembly: http://www.icc-cpi.int/en_menus/asp/complementarity/Pages/default.aspx Information received pursuant to the current note verbale would be posted under this link, which no longer requires a username and password.
