18. Consideration of the audit reports

Regulation 12 of the Financial Regulations and Rules provides that the Assembly shall appoint an Auditor to conduct audits in conformity with generally accepted common auditing standards, subject to any special directions of the Assembly and in accordance with the additional terms of reference set out in the annex to the Financial Regulations and Rules. At the 11th meeting of its first session, on 22 April 2003, the Assembly was informed that the Bureau, acting under the delegated authority of the Assembly,¹¹ had appointed the National Audit Office of the United Kingdom of Great Britain and Northern Ireland as Auditor for the Court for a period of four years.¹²

In accordance with regulation 12.7, the Auditor shall issue a report on the audit of the financial statements and relevant schedules relating to the accounts for the financial period. In accordance with regulations 12.8 and 12.9, audit reports, before their submission to the Assembly, are subject to examination by the Registrar and the Committee on Budget and Finance. The Assembly considers and approves the financial statements and audit reports forwarded to it by the Committee.

19. Premises of the Court

At its sixth session, the Assembly adopted resolution ICC-ASP/6/Res.1, whereby it, inter alia, decided that the permanent premises of the Court should be constructed on the Alexanderkazerne site. Furthermore, the Assembly established an Oversight Committee, composed of ten States Parties, to provide strategic oversight for the permanent premises project in accordance with annex II of that resolution.¹⁴

Annex II of that resolution also provides, inter alia, that the Oversight Committee shall submit any draft resolutions or information to the Assembly through the Bureau and provides that the Chairperson of the Oversight Committee shall report to the Assembly.

The permanent premises project continues to proceed on schedule. The premises are expected to be completed and ready for occupation by the Court from September 2015. The Registrar therefore had formally given notice to the landlords that the Court wishes to terminate the leases for the current interim premises as of end-December 2015.

Costs remain within the unified project budget set by the Assembly at €195.7 million, at its twelfth session¹⁵ including both the reduced construction budget of €184.4 million and the transition budget of €11.3 million. However, there are currently pressures on both sub-budgets, and no risk allowance remained for transition activities in the revised €11.3 million budget. In order to take measures which give financial security to the project in the worst-case scenario, authorization is needed to commit funds beyond the current cap of €195.7 million. The Assembly is requested to raise the unified project budget from €195.7 million to €200 million, i.e. an authorization to spend up to an additional €4.3 million in case of need.
