Prepared statements

Speakers at the Assembly of States Parties are advised that providing in advance copies of prepared statements which they intend to read out in the Assembly greatly facilitates the work of the Secretariat by permitting a sufficient number of copies to be distributed to all meeting participants and by assisting interpreters, reporters and press officers in maintaining the quality of the product delivered. Although interpretations rely upon the statement actually delivered, copies of texts help interpreters to correctly render details and nuances. Speakers are therefore encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery, to the Conference Officer in the King Willem Alexander Hall.

Delegations are kindly requested to make 20 copies for minimum distribution to the podium and relevant services, and 250 additional copies for general distribution in the King Willem Alexander Hall.

Delegations are also invited to send by e-mail an electronic copy of their statement(s), in one or more of the six official languages, to ensure timely posting of the text on the Assembly website and as a step to reducing paper usage. Statements should be sent to: asp@icc-cpi.int.

Requests for side events/booking of conference rooms

Rooms for side events and meetings, including those of regional groups or other informal meetings of States, may be reserved by contacting the focal point of the Secretariat, Ms. Estera Luteranova at esterluteran@gmail.com. For inclusion of the side event/meeting to the ASP Journal please provide the focal point with the following information: the title of the event, names of the organizers, and preferred date and time. Modifications to the ASP Journal will be reflected in the following version.

Please kindly note that the Secretariat does not send invitations to side events. The invitations should be sent by organizers for their respective side event.

The participation in side-events taking place within the secure area of the Assembly will be restricted to those who receive accreditation.
