Guidelines for the preparation and conduct of sessions of the Assembly

The Guidelines adopted by the Bureau of the Assembly of States Parties on 15 November 2018 regarding side events, general debate and documents can be found on the website of the Assembly [here](#). Building upon the recent experience and bearing in mind the challenges related to coronavirus (COVID-19) pandemic, the Bureau adopted appendix to the “Guidelines for the preparation and conduct of the twentieth session of the Assembly” dated 3 September 2021 (annex I) which can be found [here](#).

Prepared statements

Speakers at the Assembly of States Parties are advised that providing in advance digital copies of prepared statements which they intend to read out in the Assembly greatly facilitates the work of the Secretariat. Although interpretations rely upon the statement actually delivered, copies of texts help interpreters to correctly render details and nuances. Speakers are therefore encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery.

Delegations are thus invited to send by e-mail an electronic copy of their statement(s), in one or more of the four official languages, to ensure timely posting of the text on the Assembly website. Statements should be sent to: asp@icc-cpi.int.

Requests for side events

There will be no in-person side events. The side events will be held only in virtual form. Each organizer of a side event will be required to organize its own event and use conferencing platforms they have available.

Side events co-hosted by at least one State Party will be included in the ASP Journal.

Organizers will need to submit to the Secretariat the information on side events: title, date, time (The Hague & New York), list of hosts/sponsors (including at least one State Party), a contact point with an email address for each event and a link as well as any other necessary login credentials to the event.

Please kindly note that the Secretariat does not send invitations to side events. The invitations should be sent by organizers for their respective side event.

Subscription to ASP emails

Delegations who wish to subscribe to ASP mailing list should convey their contact information to the following email: asp@icc-cpi.int. The official ASP emails will be distributed from the following email address only: asp@icc-cpi.int.

Handbook

For further information regarding the session please refer to the Handbook for Participants:

Documentation*Paperless*

As per decision by the Bureau dated 8 September 2021 accessible [here](#), all pre-session documentation will be posted on the website of the Assembly as an additional measure to decrease the need for printing services and in accordance with a “paperless” approach.

Distribution of documents, paper and statements

Any document, paper or statement that representatives wish to exceptionally circulate in the room can only be distributed by the Secretariat staff once the distribution is authorized by the presiding officer. In such cases, representatives are requested to provide 20 copies for distribution to the President, Rapporteur, Secretariat, and interpreters to the conference room officer.

Electronic copies of any document, paper or statement should be sent to asp@icc-cpi.int.

Written statements shall not be reproduced at the expense of the Assembly and shall not be issued as official documents.

Statements made before or after the adoption of resolutions

The Secretariat shall reflect in the Official Records of the respective session the statement as delivered at the respective plenary meeting of the Assembly.

Webcast

All plenary meetings will be webcast in floor, English and French at the [ICC YouTube](#).
