**Report to the Assembly of States Parties on the activities and projects
of the Board of Directors of the Trust Fund for Victims
for the period 16 August 2005 to 30 June 2006**

1. The present report is submitted in accordance with paragraph 11 of the annex to the resolution adopted by the Assembly of States Parties (ICC-ASP/1/Res.6), which provides that: “The Board shall report annually to the Assembly of States Parties on the activities and projects of the Trust Fund and on all offered voluntary contributions, regardless of whether they were accepted or refused”. This reporting requirement by the Board of Directors is also provided for in regulation 76 of the Regulations of the Trust Fund for Victims, which states that the Board “shall submit a written annual report on the activities of the Trust Fund to the Committee on Budget and Finance and the External Auditor and the Assembly of States Parties, through its President”.

2. The Board of Directors welcomes the adoption of the Regulations of the Trust Fund for Victims (ICC-ASP/4/Res.3) at the fourth session of the Assembly of States Parties, which was held from 28 November 2005 to 3 December 2005 in The Hague (Netherlands). With the adoption of these Regulations, the Board may now begin to implement its projects and to discharge its responsibilities, as defined in the Rome Statute and the Rules of Procedure and Evidence.

3. The present report describes the activities and projects of the Board of Directors during the year. It also contains the financial report on the year, the proposed budget of the Board for 2007, and information on the appointment of a replacement to fill the vacant post on the Board created by the resignation of Mr. Arias Sánchez.

I. Activities and projects

4. Since the adoption of the Regulations of the Trust Fund for Victims, the Board of Directors has been mainly engaged in the task of establishing the Secretariat of the Trust Fund and in defining and elaborating the policies and procedures required under the new Regulations.

Establishment of the Secretariat

5. Efforts to recruit staff for the Secretariat of the Trust Fund for Victims continued at a sustained pace during the period covered by the present report.

6. On 3 December 2005, the Assembly of States Parties approved at its fourth session the proposed budget of the Trust Fund for Victims for 2006, including the proposal to recruit an Executive Director for the Fund at the D-1 level. Consequently, the Board of Directors requested the Registrar, in March 2006, to suspend the recruitment of the other staff of the Secretariat, including the Fund-Raising Officer, until after the Executive Director of the Secretariat had assumed his/her functions.

7. Given the critical role of the post of Executive Director for the proper functioning of the Secretariat, the Board of Directors decided to make a special effort to find the most qualified candidates. The vacancy announcement was advertised on 20 March 2006 on the Court's web site and publicized through the channels normally used to announce vacancies at the Court. Announcements also appeared in specialized journals and reviews published throughout the world in order to ensure the widest possible dissemination and to reach qualified professionals. The deadline for the submission of candidacies was also extended by three weeks, with the agreement of the Chair of the Board of Directors.

8. The formalities for the recruitment of the Fund-Raising Officer (P-4) began in 2005 and telephone interviews were conducted between September and November 2005. At its second annual meeting, the Board of Directors received the evaluation of the pre-selected candidates made by the interview committee and a comprehensive report on the recruitment process. The Board decided to suspend the recruitment of the Fund-Raising Officer pending the appointment of the Executive Director.

9. The other staff members of the Secretariat whose posts are included in the budget should have been recruited and could assume their duties before the end of 2006, once the Executive Director has taken up his post.

Fund-raising efforts by the Board of Directors

10. In accordance with paragraph 4 of resolution ICC-ASP/4/Res.3, paragraphs, 8, 9, 10 and 11 of the annex to resolution ICC-ASP/1/Res.6, and the Regulations of the Trust Fund for Victims, the members of the Board continued their efforts to secure voluntary contributions to the Trust Fund for Victims. These actions consisted mainly in supporting and encouraging the efforts being made by a number of national NGO groups to raise funds.

11. During the period covered by the present annual report, voluntary contributions nearly doubled in comparison with the amounts received by the Fund in previous years, which constitutes a remarkable achievement. It should be noted, moreover, that since 2004, a number of States Parties have made contributions to the Fund on an annual basis. A list of voluntary contributions is attached to annex II to the present report.

Second annual meeting of members of the Board of Directors

12. The second annual meeting of members of the Board was held on 22 and 23 November 2005, in The Hague (Netherlands).

13. Over the course of the two-day meeting, the Board discussed a wide range of issues related to the operations of the Trust Fund for Victims. The need for the Assembly of States Parties to adopt the Regulations of the Trust Fund and the question of the appointment of the Executive Director were the main concerns expressed by the Board of Directors.

Assistance provided by the Registry

14. In accordance with paragraph 5 of the annex to resolution ICC-ASP/1/Res.6, paragraph 91 of the budget for the first financial period of the Court (ICC-ASP/1/3), paragraphs 284, 290 and 292 of the programme budget for 2004 (ICC-ASP/2/10), and paragraph 451 of programme budget for 2005 (ICC-ASP/3/25), the Registrar continued to provide administrative assistance during the year in order to ensure the proper functioning of the Board of Directors of the Trust Fund for Victims.

15. During the period covered by the present annual report, the Registry of the Court provided administrative assistance in order to ensure the proper functioning of the Board of Directors. The Board wishes to express its appreciation to the Registry.

II. Financial report

Status of voluntary contributions

16. In accordance with paragraph 11 of the annex to resolution 6 (ICC-ASP/1/3), which requires that “all offered voluntary contributions, regardless of whether they were accepted or refused” should be reported each year to the Assembly of States Parties, a list of contributions is contained in the present report (annex II).

17. The list includes the contributions received from States, from the Netherlands NGO Platform for the International Criminal Court, as well as from judges and staff members of the Court and from individuals.

18. The two bank accounts of the Trust Fund for Victims, one in the United States of America and the other in the Netherlands, were kept open during the period from 16 August 2005 to 16 July 2006. As at 30 June 2006, the balances in these accounts were, respectively, US\$18,631.59 (€14,495.34) and €934,744.56 (plus a term deposit of €500,000 that had not yet matured). The total balance was €1,449,239.90.

19. The members of the Board wish to express their gratitude for the contributions that were made during the period covered by the present annual report and strongly encourage States Parties to continue to make contributions to the Trust Fund, since their contributions are particularly crucial during the current phase of the Fund’s development.

External audit

20. Pursuant to resolution ICC-ASP/3/Res.7, of 10 September 2004, the Chair of the Board designated the National Audit Office (NAO) of the United Kingdom to conduct the external audit for the year ending 31 December 2004. This decision was approved by the other members at the second annual meeting of the Board. Subsequently, on 21 December 2005, the Chair of the Board informed the NAO of her decision to entrust to it the external audit for the year 2004.

21. On 15 July 2005, the NAO submitted to the Board of Directors of the Trust Fund for Victims the auditor's report containing the financial statements of the Trust Fund for Victims for the period ending 31 December 2004 and made five recommendations to the Board.

22. The following measures were taken in response to the recommendations of the NAO.

Recommendation 1: Cash investments of the Fund should be subject to periodic review and investment risks should be actively managed. Within the framework of the assistance which it provides to the Board of Directors, the Registry, through its Budget and Finance Section, should actively monitor the investment of moneys received by the Trust Fund for Victims and make recommendations, as appropriate, including recommendations on the placement of funds in high-yielding accounts.

Recommendation 2: A specific set of financial regulations should be put in place to ensure that the Fund operates within a clear and approved regulatory framework. The current position is that the Financial Regulations and Rules of the Court are applied to the Trust Fund for Victims.

Recommendation 3: Roles and responsibilities regarding internal controls and financial management should be clarified in a duly approved set of financial rules for the Fund. The current position is that the Financial Regulations and Rules of the Court are applied to the Trust Fund for Victims.

Recommendation 4: The Board of Directors should make official the Fund's needs for external auditing and officially appoint an auditor. The Board considered this matter at its second annual meeting and requested the Chair to communicate to the NAO its decision to appoint NAO as the external auditor for the Trust Fund for Victims for the 2005 and 2006 financial years. This information was communicated by the Chair on 21 December 2005.

Recommendation 5: The Fund should prepare a detailed plan of action for monitoring the implementation of the recommendations of the external auditors. The Board of Directors will consider at its next annual meeting a plan for improving the existing arrangements for the financial management of the Fund.

III. Proposed budget for 2007

23. Pursuant to paragraph 3 of resolution ICC-ASP/4/Res.3, the Board of Directors prepared a budget proposal for 2007 for the Secretariat of the Trust Fund for Victims, which was established pursuant to resolution ICC-ASP/3/Res.7. The proposed budget is submitted annually to the Assembly of States Parties for approval, in accordance with paragraph 6 of the annex to resolution ICC-ASP/1/Res.6, and is set out in annex I to the present annual report.

IV. Post left vacant by Mr. Arias Sánchez, former member of the Board of Directors of the Trust Fund for Victims

24. The resignation in September 2005 of Mr. Oscar Arias Sánchez as a member of the Board representing the group of Latin American and Caribbean countries and the absence of any legal provisions governing the resignation or absence of one or several members of the Board of Directors led the members of the Board to request the Assembly of States Parties to take up this matter at its fourth session.

25. In its resolution ICC-ASP/4/Res.5, and “wishing to ensure a full membership of the Board of Directors of the Trust Fund for the benefit of victims”, the Assembly decided to amend paragraph 3 of the annex to resolution ICC-ASP/1/Res.6, of 9 September 2002, by adding the procedures to be followed in the event of a vacancy in the membership of the Board. Under the new provisions, “the Bureau of the Assembly of States Parties may fix a nomination period” and elect the member to fill the vacancy for the remainder of the predecessor’s term with the possibility of being re-elected once.

26. On 16 May 2006, the Bureau of the Assembly of States Parties elected by consensus Mr. Arthur Napoleon Raymond Robinson of Trinidad and Tobago to fill the vacant post on the Board of Directors. Mr. Robinson is a former President and former Prime Minister of the Republic of Trinidad and Tobago and has been for many years a forceful advocate of the need for the establishment of a permanent international criminal court. The Chair of the Board took pleasure in welcoming him to membership of the Board.

The Board of Directors decided to maintain the same budget and the same staffing level proposed for the Secretariat for 2007. The changes in the total amount of the budget are due to the differences in salary scales and to the variations in salary levels between newly recruited staff and those already in place.

The 2007 budget proposed above is identical to the budget submitted by the Court in its proposed programme budget for 2007, under the section “Secretariat of the Trust Fund for Victims”.
