

**13th ICC-ASP Bureau Meeting
December 3, 2007
Agenda and Decisions**

1) General debate

The Bureau decided to request speakers to deliver their statement from a lectern, placed on the podium. Non-governmental organizations would deliver statements from their seats.

2) Recommendations on the election of the Registrar

The Bureau considered the text of a draft recommendation concerning the election of the Registrar, and after introducing some amendments, decided to submit it for consideration by the Assembly.

3) Review Conference

Ambassador Rolf Fife (Norway), the Assembly's focal point on the review of the Rome Statute, provided the Bureau with an update on the issue and indicated that States Parties are supportive of holding the Review Conference for duration of 5 to 10 working days in the first semester of 2010. As regards the venue for the Conference, the focal point indicated that, at this stage, it may be too early for the Assembly to make a final decision and therefore recommended that a decision on the venue be deferred to the resumed sixth session of the Assembly.

4) Other matters

As regards the election of six members of the Committee on Budget and Finance, the Bureau agreed to defer the election until after the general debate.
