

**Public Information and Outreach in Uganda
Calendar of activities – November 2010**

Overall Objective: To increase knowledge and understanding of the mandate and activities of the International Criminal Court activities in Uganda amongst diverse constituencies by:

- Conducting community outreach events (Women meetings, village meetings and youth meetings) in Lango and Madi sub regions;
- Facilitating sensitization workshops organized by Refugee Law Project in partnership with African Transitional Justice Center
- Participating in a moot court and question and answer sessions organized by the War crimes division of the High Court of Uganda
