Case The Prosecutor v. Germain Katanga

**Decision Rejecting the Prosecution Urgent Request and Establishing a Calendar for the
Disclosure of the Supporting Materials of the Prosecution Application for a Warrant of Arrest
against Germain Katanga**

The Hague, 5 November 2007

On 6 July 2007, Judge Sylvia Steiner, single judge of the Pre-Trial Chamber I issued the "Decision Rejecting the Prosecution Urgent Request and Establishing a Calendar for the Disclosure of the Supporting Materials of the Prosecution Application for a Warrant of Arrest against Germain Katanga", ICC-01/04-01-07-5-US-Exp.

In the first part of the decision, the Single Judge rejects the request of the Prosecution relating to the formatting of the warrant of arrest against Germain Katanga.

In the second part of the decision, the Single Judge establishes a calendar relating to the disclosure of the supporting Materials of the Prosecution Application for a warrant of arrest against Germain Katanga. The Calendar includes disclosure of a redacted formatted version of the Prosecution Application as well as the supporting materials. It also provides for the application of the system of disclosure notes, pre-inspection and inspection reports and the Draft Protocol on the Presentation of Evidence followed in the Case ICC-01/04-01/06.

The Single Judge also decides that she will set, once the Defence Team of Germain Katanga is operational, a hearing in order to set a calendar for the disclosure of additional evidence on which the Prosecution intends to rely at the confirmation hearing.
