Paper-less Assembly session

Given the COVID-19 related risks, the Assembly will strive to have a paper-less approach. Written statements will not be distributed in the conference room.

Prepared statements

Speakers at the Assembly of States Parties are advised that providing in advance digital copies of prepared statements which they intend to read out in the Assembly greatly facilitates the work of the Secretariat. Although interpretations rely upon the statement actually delivered, copies of texts help interpreters to correctly render details and nuances. Speakers are therefore encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery.

Delegations are thus invited to send by e-mail an electronic copy of their statement(s), in one or more of the four official languages, to ensure timely posting of the text on the Assembly website. Statements should be sent to: asp@icc-cpi.int.

Requests for side events

There will be no in-person side events. The side events will be held only in virtual form.

Side events co-hosted by at least one State Party will be included in the ASP Journal.

Organizers will need to submit to the Secretariat the information on side events: title, date, time (The Hague & New York), list of hosts/sponsors (including at least one State Party), a contact point with an email address for each event and a link as well as any other necessary login credentials to the event.

Please kindly note that the Secretariat does not send invitations to side events. The invitations should be sent by organizers for their respective side event.

Subscription to ASP emails

Delegations who wish to subscribe to ASP mailing list should convey their contact information to the following email: asp@icc-cpi.int. The official ASP emails will be distributed from the following email address only: asp@icc-cpi.int.
