**Twelfth meeting**

19 November 2020

*via Zoom remote link*

Agenda and decisions

*The meeting was chaired by the President of the Assembly, Mr. O-Gon Kwon (Republic of Korea). The Vice-Presidents of the Assembly, Ambassador Jens-Otto Horslund (Denmark) and Ambassador Michal Mlynár (Slovakia) also participated.*

The President expressed appreciation to the Registry for the provision of interpretation, and to the Secretariat for the organization thereof.

**1. Preparations for the nineteenth session of the Assembly of States Parties**

*a) Update on preparations for the nineteenth session*

Vice-President Michal Mlynár informed the Bureau that the preparations for the resumption of the nineteenth session at United Nations Headquarters in New York are ongoing. The United Nations will be able to provide conference rooms and conference servicing. Nonetheless, the substantive serving of the session cannot be provided by the United Nations Office of the Legal Affairs and therefore other options must be explored, including dispatching some Court staff who would be able to enter the United States or hiring the local staff in New York to assist with the session along with the three Court staff members at the New York Liaison Office. Another proposal included a call for a total of 10 national tellers, who would then proceed with the counting in five teams, substituting five Secretariat tellers. Vice-President Mlynár reiterated that the resumption of the nineteenth session must mainly focus on the elections.

*b) Bureau decision: Nineteenth session of the Assembly of States Parties*

The Bureau adopted the Bureau decision entitled “Nineteenth session of the Assembly of States Parties”, dated 27 October 2020 (annex).

*c) Decision on the procedure for adoption of decisions by the Assembly during the nineteenth session of the Assembly of States Parties to the Rome Statute owing to the corona virus disease (COVID-19) pandemic*

The Bureau approved the “Draft proposal by the Bureau: Draft decision on the Procedure for adoption of decisions by the Assembly during the nineteenth session of the Assembly of States Parties to the Rome Statute owing to the coronavirus disease (COVID-19) pandemic”, dated 27 October 2020, and decided to submit it to the Assembly as the proposal of the Bureau.<sup>1</sup> The proposed decision would allow the adoption of decisions by the Assembly by a silence procedure

<sup>1</sup> ICC-ASP/19/34.

similar to that contained in the United Nations General Assembly decision 74/544 of 27 March 2020 entitled “Procedure for taking decisions of the General Assembly during the coronavirus disease (COVID-19) pandemic”.

The Bureau took note that the decision would be applied only in situations when the Assembly cannot convene in an in-person format, as foreseen by its rules of procedure. Thus, it would not be applied at the nineteenth session of the Assembly (at its first part to be held from 14 to 16 December 2020 in The Hague and at its resumed part to be held from 17 to 23 December 2020 in New York), and would be considered as a contingency in case those meetings cannot take place, in order to enable business continuity in such a situation.

*d) Programme of work for the nineteenth session and the resumed nineteenth session of the Assembly*

The Bureau approved the shortened draft programme of work for the nineteenth session in The Hague, dated 17 November 2020, whereby the Assembly would meet in-person in the morning and afternoon of the first day for the opening plenary and general debate plenary, briefly in the afternoon of the second day and in the afternoon of the third day to adopt the resolutions. The rest of the meetings would be held in virtual format to mitigate the risks of the COVID-19 pandemic. The programme of work for the session in The Hague was adopted on the understanding that it was provisional and subject to modification, depending on the progress on different agenda items during the session of the Assembly and developments regarding the holding of the resumed session in New York.

The Bureau took note that the work programme for the session to be held in The Hague, which had been proposed after consultation with the Court’s Medical Unit and the Safety and Security Section, would additionally limit in-person participation to one representative per State Party and one representative per subsidiary body of the Assembly for in-person meetings. Attendance of other participants for in-person meetings would also be limited.

*e) Election of six members of the Committee on Budget and Finance*

In view of the limited meeting time, the President indicated that he would propose, pursuant to resolution ICC-ASP/1/Res.5, a draft recommendation of the Bureau regarding the election of six members of the Committee on Budget and Finance, under a silence procedure.

*f) Election of the President and the Bureau for the twentieth to twenty-second sessions*

The President would propose recommendations of the Bureau regarding the election of the President and the Bureau for the twentieth to twenty-second sessions, under a silence procedure.

*g) Credentials Committee*

The President would propose a recommendation of the Bureau regarding the appointment of members of the Credentials Committee for the nineteenth session, under a silence procedure.

*h) Nomination of national tellers*

The Bureau would revert to this agenda item in the future.

*i) Appointment of the Rapporteur for the nineteenth session*

The Bureau would revert to this agenda item in the future.

*j) Organization of side-events*

The President would convey, under a silence procedure, the proposal prepared by the CICC along with the Secretariat of the Assembly, dated 18 November 2020, which would allow for virtual side events that would not overlap with the meeting times of the Assembly.

**2. Status of contributions**

The Bureau would revert to this agenda item at a future meeting.

**3. Independent Oversight Mechanism- Annual report**

The Bureau would revert to this agenda item at a future meeting.

**4. Other matters**

*a) Reports of the facilitations*

The President would convey to the Bureau the reports of the facilitations on arrears and on Budget Management Oversight, dated 9 and 10 November 2020, respectively, for consideration under a silence procedure.

*b) Election of the Prosecutor*

The President provided an update on developments regarding the election of the Prosecutor, following the adoption of the “Way forward” on 13 November.

He had contacted the Chair of the Committee on the Election of the Prosecutor, Ambassador Sabine Nölke (Canada), who had confirmed that the Committee would work as quickly as possible to provide the appraisals the Bureau had requested. Once the appraisals had been received, the Bureau would appoint the five focal points and arrange the public hearings. A Bureau meeting would then be convened to consider the way forward and the timelines, including the specific modalities for bilateral consultations.
