Announcements

Prepared statements

Speakers at the Assembly of States Parties are advised that providing in advance copies of prepared statements which they intend to read out in the Assembly greatly facilitates the work of the Secretariat by permitting a sufficient number of copies to be distributed to all meeting participants and by assisting interpreters, reporters and press officers in maintaining the quality of the product delivered. Although interpretations rely upon the statement actually delivered, copies of texts help interpreters to correctly render details and nuances. Speakers are therefore encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery, to the Conference Officer in the Conference Room 1 (NLB).

Delegations are kindly requested to make 20 copies for minimum distribution to the podium and relevant services, and 250 additional copies for general distribution in the Conference Room 1 (NLB).

Delegations are also invited to send by e-mail an electronic copy of their statement(s), in one or more of the six official languages, to ensure timely posting of the text on the Assembly web site and as a step to reducing paper usage. Statements should be sent to: asp@icc-cpi.int.

Office of the Secretariat of the Assembly of States Parties

The suite of office of the Secretariat of the Assembly of States Parties is located in NL1033 across from the conference room 3. The Secretariat can be contacted via telephone at the direct phone lines: +1 917 367 5276 or +1 917 367 5308.

Documentation

All necessary documents for the ninth session of the Assembly of States Parties can be electronically retrieved at:

<http://www.icc-cpi.int/Menus/ASP/Sessions/Documentation/9th+Session/Ninth+session+of+the+Assembly+of+States+Parties.htm>

In accordance with the Bureau's decision on pursuing a paper-light approach to documentation for the ninth session, only one hardcopy set of pre-session documentation will be made available to each delegation in its preferred language, along with one set in English.
