

BUREAU OF THE ASSEMBLY OF STATES PARTIES

Twentieth meeting

12 December 2014

Agenda and decisions

1. Thirteenth session of the Assembly

a) Work Programme

The Bureau considered changes to the work programme in order to allocate time to continue with the elections of judges and the general debate. The Bureau recommended to continue the elections to elect two remaining judges on 12 December at 15:00. In this connection, the Bureau requested the Secretariat to organise the plenary meetings so that the plenary would alternate between elections and the general debate. The general debate would continue under the direction of the Vice-President, while the President presides over the counting of ballots.

As regards the work programme for 15 December 2014, the Bureau recommended to consider agenda item 17, entitled “Consideration and adoption of the budget for the thirteenth financial year”. The work programme for 15 December would continue as foreseen in 8 December version.
