The Hague, 26 March 2018

Dear Sir/Madam,

France and Senegal have the pleasure of inviting you to participate in the video project that they wish to create for the 20th anniversary of the Rome Statute, as part of our role as Co-facilitators for cooperation to which we were appointed by the Assembly of States Parties to the Rome Statute.

The aim is to create a short video to reaffirm at the highest level the support of the States Parties for the fight against impunity, the international criminal justice system and the Court's work.

We hope that you will agree to contribute to this initiative by **asking your national authorities at the highest level** to participate in filming a video clip of several seconds which will see your State's representative pronounce the following slogan: **"With the ICC, I am fighting against impunity"** / **"Avec la Cour pénale internationale, je lutte contre l'impunité"**, in one of the Court's six official languages.

Please find enclosed a technical guide which will provide you with further details. Please also find attached an example video recorded by the Ambassador of France.

Your video should be sent by WeTransfer to the following address: [presse@ambafrance-nl.org](mailto:presse@ambafrance-nl.org) before **Friday, 25 May 2018**.

We hope that you will join in with this project and we remain at your disposal for any questions you may have. Yours sincerely,

Momar Diop  
Ambassador of Senegal

Philippe Lalliot  
Ambassador of France
