### **Decisions on amendments to proposals relating to matters of substance**

Decisions on amendments to proposals relating to matters of substance, and on parts of such proposals put to the vote separately, shall be made by a two-thirds majority of the States Parties present and voting.

## **Rule 66**

### **Meaning of the phrase “States Parties present and voting”**

For the purposes of these Rules, the phrase “States Parties present and voting” means States Parties present and casting an affirmative or negative vote. States Parties which abstain from the voting shall be considered as not voting.

## **Rule 67**

### **Method of voting**

1. The Assembly shall, in the absence of mechanical or electronic means for voting, vote by show of hands or by standing, but a representative of any State Party may request a roll-call. The roll-call shall be taken in the English alphabetical order of the names of the States Parties, beginning with the State Party whose name is drawn by lot by the President. The name of each State Party shall be called in any roll-call, and its representative shall reply “yes”, “no” or “abstention”. The result of the voting shall be inserted in the records in the English alphabetical order of the names of the States Parties.
2. When the Assembly votes by mechanical or electronic means, a non-recorded vote shall replace a vote by show of hands or by standing and a recorded vote shall replace a roll-call vote. A representative of a State Party may request a recorded vote. In the case of a recorded vote, the Assembly shall, unless a representative of a State Party requests otherwise, dispense with the procedure of calling out the names of the States Parties; nevertheless, the result of the voting shall be inserted in the record in the same manner as that of a roll-call vote.

## **Rule 68**

### **Conduct during voting**

After the President has announced the commencement of voting, no representative of a State Party may interrupt the voting, except that representatives of States Parties may interrupt on a point of order in connection with the actual conduct of the voting.

## **Rule 69**

### **Explanation of vote**

Representatives of States Parties may make brief statements consisting solely of explanations of their votes before the voting has commenced or after the voting has been completed. The representative of a State Party sponsoring a proposal or motion shall not speak in explanation of vote thereon, except if it has been amended. The President may limit the time to be allowed for such explanations.

## **Rule 70**

### **Division of proposals and amendments**

A representative of a State Party may move that parts of a proposal or of an amendment be voted on separately. If objection is made to the request for division, the motion for division shall be voted upon. Permission to speak on the motion for division shall be given only to two speakers in favour and two speakers against. If the motion for division is carried, those parts of the proposal or of an amendment which are approved shall then be put to the vote as a whole. If all operative parts of the proposal or of the amendment have been rejected, the proposal or the amendment shall be considered to have been rejected as a whole.

## **Rule 71**

### **Order of voting on amendments**

When an amendment is moved to a proposal, the amendment shall be voted on first. When two or more amendments are moved to a proposal, the Assembly shall first vote on the amendment furthest removed in substance from the original proposal and then on the amendment next furthest removed therefrom, and so on until all the amendments have been put to the vote. Where, however, the adoption of one amendment necessarily implies the rejection of another amendment, the latter amendment shall not be put to the vote. If one or more amendments are adopted, the amended proposal shall then be voted upon. A motion is considered an amendment to a proposal if it merely adds to, deletes from or revises part of the proposal.

## **Rule 72**

### **Order of voting on proposals**

If two or more proposals relate to the same question, the Assembly shall, unless it decides otherwise, vote on the proposals in the order in which they have been submitted. The Assembly may, after each vote on a proposal, decide whether to vote on the next proposal.

If in the second ballot the votes are equally divided, and a majority is required, the President shall decide between the candidates by drawing lots. If a two-thirds majority is required, the balloting shall be continued until one candidate secures two thirds of the votes cast; provided that after the third inconclusive ballot,

votes may be cast for any eligible person or State Party. If three such unrestricted ballots are inconclusive, the next three ballots shall be restricted to the two candidates who obtained the greatest number of votes in the third of the unrestricted ballots, and the following three ballots thereafter shall be unrestricted, and so on until a person or State Party is elected. These provisions shall not prejudice the application of rules 85 and 86.

#### **Rule 80**

##### **Restricted balloting for two or more elective places**

When two or more elective places are to be filled at one time under the same conditions, those candidates obtaining in the first ballot the majority required shall be elected. If the number of candidates obtaining such majority is less than the number of persons or States Parties to be elected, there shall be additional ballots to fill the remaining places, the voting being restricted to the candidates obtaining the greatest number of votes in the previous ballot to a number not more than twice the places remaining to be filled; provided that after the third inconclusive ballot, votes may be cast for any eligible person or State Party.
