SCOPE AND PURPOSE

These Staff Rules shall apply to staff members of the Court holding a fixed-term appointment. Staff members of the Court holding a short-term appointment shall be governed by separate rules drawn up by the Registrar, with the agreement of the Presidency and the Prosecutor. The Staff Rules shall apply, *mutatis mutandis*, to the staff of the Secretariat of the Assembly of States Parties. In case of conflict between the Staff Rules and the provisions relating to the staff of the Secretariat of the Assembly of States Parties contained in resolution ICC-ASP/2/Res.3 and its annexes, the latter shall apply.

CHAPTER I: DUTIES, OBLIGATIONS AND PRIVILEGES

Rule 101.1: Status of staff

Staff members of the Court are international civil servants. Their responsibilities as staff members of the Court are not national, but exclusively international.

Rule 101.2: Core values

Consistent with the core values listed in staff regulation 1.2, any form of discrimination or harassment, including sexual or gender harassment, or physical or verbal abuse at the workplace or in connection with work, shall be prohibited.

Rule 101.3: General rights and obligations

Independence

- (a) The interest of the Court and the obligations that staff members have towards it shall always take precedence over their other interests or ties. Staff members shall ensure their independence from any person, entity or authority outside the Court.
- (b) Membership of a political party shall be permitted, provided that such membership does not entail action, or an obligation to take action, by the staff member contrary to staff regulation 1.2 (h). The payment of normal financial contributions to a political party shall not be an activity inconsistent with the principles set out in staff regulation 1.2 (h).

Legal obligations

- (c) Staff members shall comply with local laws and honour their private legal obligations, including, but not limited to, the obligation to comply with orders of competent courts.

Financial obligations

- (d) Staff members may be required to reimburse or compensate the Court, either partially or in full, for any financial loss suffered by the Court as a result of gross negligence, malice, fraud or failure to observe any obligation under the instruments of the Court, such as the Staff Regulations and Rules, the Financial Regulations and Rules, and administrative issuances.

Function

- (e) Each staff member shall be required to perform the duties related to his or her position as set forth in the letter of appointment. A staff member, however, may be entrusted temporarily with the execution of any other duties in line with his or her competencies if required by the operational needs of the Court. This may include the temporary replacement of an absent staff member with a higher or lower grade or in a different category.
- (f) Should a staff member be called upon to temporarily replace an absent staff member with a higher grade or in a different category, such temporary replacement shall not become a vested right and shall not affect the staff member's return to his or her former position.

Specific instances of prohibited conduct

- (g) Staff members shall not disrupt or otherwise interfere with any meeting or other official activity of the Court, nor shall they threaten, intimidate or otherwise engage in any conduct intended, directly or indirectly, to interfere with the ability of other staff members to discharge their official duties.
- (h) Staff members shall not intentionally misrepresent their functions, official title or the nature of their duties to third parties.
- (i) While staff members' personal views and convictions, including their political and religious convictions, remain inviolable, staff members shall ensure that those views and convictions do not adversely affect their official duties or the interest of the Court. They shall conduct themselves at all times in a manner befitting their status as international civil servants and shall not engage in any activity that is incompatible with the proper discharge of their duties with the Court. They shall avoid any action, in particular any kind of public pronouncement, that may adversely reflect on their status or on the integrity, independence and impartiality that are required by that status.

Rule 101.4: Confidentiality

- (a) As required by the letter of appointment, staff members shall not, unless specifically authorized, at any time, directly or indirectly, use, disclose, furnish, or make accessible to any third party confidential information of the Court of which they have become aware during the course of their employment.
- (b) The Registrar, in consultation with the Presidency and the Prosecutor, may create criteria for the classification of information as confidential, together with procedures to be followed for the safekeeping, handling, release or disclosure of confidential information.
- (c) Without prejudice to the operation of paragraphs (a) and (b), staff members shall keep confidential any information regarding the Court's operations, including but not limited to evidence and information relating to victims and witnesses as well as to staff members of the Court, where, by the very nature of that information, a staff member knows or ought reasonably to know that it should be kept confidential.
- (d) The obligations of staff members regarding confidentiality shall not cease upon separation from service.

Rule 101.5: Honours, gifts and remuneration

- (a) Acceptance by staff members of any honour, decoration, favour, gift or remuneration from any Government or from any non-governmental source shall require the prior approval of the Registrar or the Prosecutor, as appropriate. Approval shall only be granted in exceptional cases and where such acceptance is not incompatible with the interests of the Court and with the staff member's status as an international civil servant. However, staff members may occasionally accept, without prior approval, minor gifts of essentially nominal value having regard to the duty station concerned, provided that all such gifts are promptly disclosed to the Registrar or the Prosecutor, as appropriate, who may direct that the gift be entrusted to the Court or returned to the donor.
- (b) Staff members, as part of their official duties, shall be expected, from time to time, to attend governmental or other functions such as meals and diplomatic receptions. Such attendance shall not be considered acceptance of a favour, gift or remuneration within the meaning of the Staff Regulations and Rules.
- (c) Staff members shall neither offer nor promise any favour, gift, remuneration or any other personal benefit to another staff member or to any third party with a view to causing him or her to perform, fail to perform or delay the performance of any official act. Similarly, staff members shall neither seek nor accept any favour, gift, remuneration or any other personal benefit from another staff member or from any third party in exchange for performing, failing to perform or delaying the performance of any official act.

Rule 101.6: Conflict of interest

- (a) Staff members shall abstain from any conduct which may be directly or indirectly in conflict with the discharge of their official duties.
- (b) Staff members who have occasion to deal in their official duties with any matter involving a profit-making business or other concern in which they hold a financial interest, directly or indirectly, shall immediately disclose the nature of that interest to the Registrar or the Prosecutor, as appropriate. Except as otherwise authorized by the Registrar or the Prosecutor, as appropriate, staff members shall either dispose of that financial interest or formally excuse themselves from participating in the matter.
- (c) The Registrar, in consultation with the Prosecutor, shall establish procedures for the filing and utilization of financial disclosure statements.

Rule 101.7: Outside employment and activitiesOutside employment

- (a) Staff members of the Court shall not engage in any outside occupation or employment, whether remunerated or not, without the prior approval of the Registrar or the Prosecutor, as appropriate.

Outside activities

- (b) Staff members shall not, except in the normal course of official duties or with the prior approval of the Registrar or the Prosecutor, as appropriate, engage in any of the following acts if they relate to the purpose, activities or interests of the Court:
 - (i) Issue statements to the press, radio or other agencies of public information;
 - (ii) Accept speaking engagements;
 - (iii) Take part in film, theatre, radio, television or video productions;
 - (iv) Submit statements, comments, articles, books or other material for publication, including publication on any form of electronic media.
- (c) The Registrar, in consultation with the Prosecutor, shall establish procedures whereby staff members may seek in confidence clarification as to whether proposed outside activities would conflict with their status as international civil servants.

Rule 101.8: Use of property and assets

Use of property

- (a) Staff members of the Court shall only use the property and assets of the Court for official purposes and shall exercise reasonable care when utilizing such property and assets.

Intellectual property

- (b) All rights, title and property, including but not limited to copyright and patent rights, and other intellectual property rights, pertaining to any work performed by staff members as part of their official duties, shall be vested in the Court.
- (c) Staff members shall not intentionally alter, destroy, misplace or render useless any official document, record, file or evidence which has been entrusted to them by virtue of their official duties, and which is intended to be kept as part of the records of the Court.

Rule 101.9: Accountability

- (a) Staff members of the Court shall be accountable to the President, the Registrar or the Prosecutor, as appropriate, for the proper discharge of their functions. Staff members shall be required to uphold the highest standards of efficiency, competence and integrity in the discharge of their functions, and their performance shall be appraised periodically to ensure that the required standards of performance are met.
- (b) Staff members of the Court shall be at the disposal of the Registrar or the Prosecutor, as appropriate, for the performance of official functions; however, the Registrar, in consultation with the Prosecutor, shall establish a normal working week and shall establish official holidays for the Court. Exceptions may be made by the Registrar or the Prosecutor, as appropriate, and staff members shall be required to work beyond the normal working hours when requested to do so.

CHAPTER II: CLASSIFICATION OF POSTS**Rule 102.1: Classification of posts**

- (a) The system of classification of posts shall be maintained to ensure the assignment of appropriate grades and titles to all posts in the Court.
- (b) Under principles laid down by the Assembly of States Parties, posts shall be classified according to the nature of their duties and responsibilities, in conformity with the United Nations common system of salaries, allowances and benefits (hereinafter: “the United Nations common system standards”).
- (c) The following categories of posts shall apply at the Court:

A staff member shall be entitled to the dependency rate if he or she has a dependent spouse or a dependent child, except if both spouses are staff members in the Professional and higher categories within organizations applying the United Nations common system standards, and they have one or more dependent children, the dependency rate shall apply to the spouse having the higher base salary only.

- (d) The base salary of staff members in the Professional and higher categories at each duty station of the Court shall be adjusted by the relevant post adjustment multiplier in conformity with the United Nations common system standards.

- (i) A staff member who is assigned to a duty station with a lower post adjustment multiplier than the one applied at the duty station where he or she has been serving may continue to receive the previously applied post adjustment for a period of up to six months while members of his or her immediate family remain at the previous duty station;
- (ii) For staff members assigned to a duty station for less than one year, the Registrar, in consultation with the Prosecutor, shall establish guidelines determining when, in lieu of an appropriate subsistence allowance, to apply the post adjustment, and,

Rental subsidy

- (f) At duty stations where the average rental cost is used in calculating the post adjustment index, staff members who have to rent housing accommodation at substantially higher market rates may be paid a supplement to the post adjustment in the form of a rental subsidy under conditions established by the Registrar, in consultation with the Prosecutor, in conformity with the United Nations common system standards.

Rule 103.6: Computation of fractional payments of salaries and allowances

Computation of fractional payments of salaries shall be based on the following methodology:

- (i) A year consists of 261 working days (365 days less 104 weekend days);
- (ii) A month consists of 21.75 salary days (261/12);
- (iii) To determine the daily and monthly salary rates, the annual salary is divided by 261 and 12 respectively; and

Rule 103.9: Change in grades or categories

- (a) When a staff member changes to a different grade with a higher base salary, he or she shall be entitled to be placed at a step which results in an increase in base salary at least equal to the amount that he or she would have received by being placed at two higher steps at the lower grade.
- (b) Following a staff member's change in grade or category, his or her salary increment cycle shall be adjusted accordingly.

Rule 103.10: Representation allowance

- (a) Internationally recruited staff members, as well as their eligible family members, shall be entitled to visit their home country at the Court's expense (hereinafter referred to as 'home leave'). Such leave is intended to permit staff members and their families to maintain or renew ties with their home country.
- (b) An "eligible family member" is a spouse or dependent child, if any, of a staff member.
- (c) A staff member shall be entitled to home leave once every two years of qualifying service, which is continuous service outside the staff member's home country, provided the conditions set out below are fulfilled:
 - (i) The staff member's home country is a country other than that of his or her official duty station or of his or her normal residence.
 - (ii) The staff member's service is expected to continue at least six months beyond the date of his or her return from any proposed home leave and, in the case of the first home leave, at least six months beyond the date on which the staff member will have completed two years of qualifying service.
 - (iii) In the case of home leave following return from a family visit under staff rule 107.7, normally not less than nine months of continuous service have elapsed since departure on the family visit.
- (d) The period of qualifying service shall begin on the date on which the staff member's eligibility is established under paragraphs (a) and (c).
- (e) A staff member who resigns from the Court's service within six months of his or her return to work after home leave shall either reimburse the Court for all travel and other expenses associated with the home leave or forfeit his or her return travel cost entitlements.

Timing and duration of home leave

- (f) A staff member's first home leave shall fall due in the year in which the staff member completes two years of qualifying service.
- (g) Home leave may be taken, subject to the exigencies of service, any time during the year in which it falls due. Notwithstanding the foregoing, home leave may be advanced or deferred as follows:
 - (i) In exceptional circumstances other than in cases of a staff member's first home leave, the Registrar or the Prosecutor, as appropriate, may grant advanced home leave, provided that normally not less than twelve months of qualifying service have been completed or have elapsed since the date of return from the staff member's last home leave. The granting of such home leave shall not advance the staff member's next entitlement to home leave and shall remain subject to the conditions for the entitlement being subsequently met. If the conditions are not met, the staff member shall be required to reimburse the costs paid by the Court for the advanced travel.
 - (ii) If a staff member delays taking his or her home leave beyond the calendar year in which it falls due, such delayed leave may be taken without altering the time of his or her next and succeeding home leave entitlements, provided that normally not less than twelve months of qualifying service elapse between the date of the staff member's return from the delayed home leave and the date of his or her next home leave departure.
- (h) A staff member travelling on home leave shall be required to spend no less than seven days, exclusive of travel time, in his or her home country and may be required, upon his or her return from home leave, to furnish satisfactory evidence that this requirement has been fully met. Annual leave taken for the purpose of home leave shall be subject to the provisions of staff rule 105.2.
- (i) Subject to the conditions specified in chapter VII of these Staff Rules, a staff member shall be entitled to claim, in respect of authorized travel on home leave, travel time and expenses for himself or herself and each eligible family member for the outward and return journeys between the official duty station and the place of home leave.

- (j) The home country is normally the country of the staff member's nationality. In exceptional or compelling circumstances, the Registrar or the Prosecutor, as appropriate, may authorize:
 - (i) A country other than the country of nationality as the home country for the purposes of this rule. A staff member requesting such authorization shall be required to satisfy the Registrar or the Prosecutor, as appropriate, that the staff member maintained normal residence in such other country for a prolonged period preceding his or her appointment, that the staff member continues to have close family and personal ties in that country, and that the staff member's taking home leave there would not be inconsistent with the purposes and intent of paragraph (a).

- (ii) Travel in a particular home leave year to a country other than the home country may take place, subject to conditions established by the Registrar or Prosecutor, as appropriate. In such cases, the travel expenses borne by the Court shall not exceed the cost of travel to the home country.

Place of home leave

- (k) The place of home leave of the staff member within his or her home country shall be, for the purposes of travel and transportation entitlements, the place to which the staff member had the closest residential ties during the period of his or her most recent residence in the home country. In exceptional circumstances, a change in the place in the country of home leave may be authorized by the Registrar or the Prosecutor, as appropriate.

Travel of eligible family members

- (l) Travel of eligible family members shall be required to be in conjunction with the approved home leave of the staff member; however, exceptions may be granted if the exigencies of service or other special circumstances prevent the staff member and his or her eligible family members from travelling together.
- (m) When both spouses are eligible for home leave in their capacity as staff members of the United Nations common system, each staff member shall have the choice either of exercising his or her own home leave entitlement or of accompanying the spouse. A staff member who chooses to accompany his or her spouse shall be granted travel time appropriate to the travel involved. Dependent children whose parents are staff members of the United Nations common system, each of whom is entitled to home leave, may accompany either parent. The frequency of travel shall not exceed the established periodicity of the home leave both with regard to staff members and to their dependent children, if any.

- (d) All shipments shall be by the most direct and economical mode.

Shipment deviations

- (e) If, for reasons of personal preference or convenience, a staff member requests:
- (i) An unaccompanied shipment to or from a place other than the one authorized;
 - (ii) An unaccompanied shipment in excess of his or her entitlement;
 - (iii) An unaccompanied shipment by other than the approved means; or

- (iv) More than one shipment,

The staff member shall bear any additional costs in excess of his or her entitlement under these Staff Rules.

Rule 107.14: Assignment grant

- (a) A staff member who is authorized to travel for an assignment of at least one year shall be paid an assignment grant subject to the conditions set forth below. An assignment grant may also be paid to a staff member under staff rule 103.3 (e)(ii).
- (b) The amount of the assignment grant shall be equivalent to:
 - (i) Thirty days of daily subsistence allowance in accordance with staff rule 107.10 in respect of the staff member; and
 - (ii) Thirty days of daily subsistence allowance at half such daily rate in respect of each eligible family member.

The above-mentioned amounts shall be calculated on the basis of the rate prevailing on the date of arrival at the duty station of the staff member or each eligible family member, as appropriate. Where an assignment of less than one year, in respect of which daily subsistence allowance has been paid for six months or more, is extended to at least one year at the same duty station, the provisions of subparagraph (b)(i) shall not apply and only the lump sum portion under paragraph (c) shall be paid.

- (c) In addition to any amount of grant paid under paragraph (b), a lump sum calculated on the basis of the staff member's net base salary and, where appropriate, post adjustment at the duty station of assignment may be paid under conditions established by the Registrar, in consultation with the Prosecutor. The lump sum shall be paid at the following rates:
 - (i) At headquarters or other such designated duty stations, a lump sum equivalent to one month's net base salary and, where appropriate, post adjustment, provided the staff member is not entitled to full removal under staff rule 107.13 (b);
 - (ii) At all other duty stations:
 - a. Where the staff member is entitled to full removal under staff rule 107.13(b), one month's net base salary and, where appropriate, post adjustment;
 - b. Where the staff member is not entitled to full removal costs under staff rule 107.13(b), one month's net base salary and, where appropriate, post adjustment if the assignment is for less than three years, and two months' net base salary and, where appropriate, post adjustment if the assignment is for three years or more.
 - c. If an assignment for less than three years is extended to three years or more, the staff member shall be paid at that time a second one-month lump sum.

- (d) If an assignment involves a return to a place at which a staff member was previously stationed, the full amount of the assignment grant shall not be paid unless the staff member has been absent from that place for at least one year. In the case of a shorter absence, the amount paid shall normally be that proportion of the full grant corresponding to the completed months of absence proportionate to one year.
- (e) Where two staff members who are each other's spouse are both entitled to an assignment grant for the same duty station, the daily subsistence allowance portion of the assignment grant shall be paid to each staff member in respect of himself or herself. If they have a dependent child or children, the assignment grant in respect of such child or children shall be paid to the staff member on whom the child is recognized to be dependent. If both spouses qualify for the lump sum portion of the grant, such lump sum shall be paid only to the spouse whose lump sum portion yields the higher amount.
- (f) Where a staff member does not complete the period of service in respect of which an assignment grant is paid, the assignment grant shall be adjusted proportionately and recovery made under conditions established by the Registrar, in consultation with the Prosecutor, who, in exceptional circumstances, may decide to waive recovery.
- (g) The Registrar or the Prosecutor, as appropriate, may, in suitable cases, authorize payment of all or part of the assignment grant where the Court is not required to pay travel expenses upon assignment of a staff member regarded as internationally recruited.

Rule 107.15: Insurance for travel and shipment

- (a) The travel expenses paid by the Court shall not include any personal accident insurance or insurance for accompanied personal baggage. Staff members who wish to be covered under such insurances shall make their own arrangements. The costs thereof shall not be reimbursed by the Court, and the Court shall not be responsible and shall not assume liability for any personal accidents or any loss of or damage to accompanied personal baggage.
- (b) Authorized shipments arranged by the Court, except on home leave, family visit and education grant travel, shall be insured for normal loss or damage up to a maximum amount established by the Registrar, in consultation with the Prosecutor. If an authorized shipment is not arranged by the Court, staff members shall be responsible for obtaining insurance. The cost of such insurance shall be reimbursed by the Court within the limits of the entitlement. The Court shall not be responsible and shall not assume liability for any loss of or damage to shipments.
- (c) In relation to authorized travel by private vehicle, it shall be the responsibility of the staff member to ensure that the vehicle has appropriate insurance in respect of accidents, covering both injury to and death of persons, and loss of or damage to property caused by accidents. The Court shall not be responsible and shall not assume liability for any such injury to and death of persons, or loss of or damage to property.

- (l) A staff member whose appointment is ended by mutual agreement pursuant to staff rule 109.1(b)(iii), may be paid, at the discretion of the Registrar or the Prosecutor, as appropriate, an indemnity of up to one and a half times the termination indemnity in paragraph (g).

In such cases, the Court shall, on the written request of the staff member prior to being placed on special leave, pay the pension contribution of the Court and/or the staff member during the period of special leave. The total amount of the contributions shall be deducted from the termination indemnity otherwise payable to the staff member.
- (o) A staff member selecting the option of special leave referred to in paragraph (n) shall sign an undertaking acknowledging that his or her status on special leave shall be solely for pension purposes, and that his or her entitlements and those of any dependents to all other

emoluments and benefits under the Staff Regulations and Rules shall be determined to be final as of the date of commencement of such leave.

Rule 109.3: Resignation

Rule 109.5: Separation upon death of a staff member

Death grant

- (a) If a staff member dies while in service, a death grant shall be paid to his or her surviving spouse and/or dependent children or a secondary dependant in respect of whom a dependency allowance is payable. The death grant shall be calculated according to the following schedule:

Completed period of service	Months of base salary

- (b) The death grant may be paid as a lump sum as soon as the pay accounts and related matters can be closed.
- (c) For a staff member in the Professional or higher categories, the death grant shall be calculated on the basis of the staff member's base salary as set out in staff rule 103.3.
- (d) For a staff member in the General Service category, the death grant shall be calculated on the basis of the staff member's base salary as set out in staff rule 103.2, and language allowance, if any.

- (f) A repatriation grant shall be paid in accordance with staff rule 109.6 in the event of the death of an eligible staff member.
- (g) All other entitlements and accrual of benefits shall cease as of the date of death, except as provided by staff rule 103.18 for payment of the education grant when a staff member dies while in service after the beginning of the academic year.

Rule 109.6: Repatriation grantPurpose

- (a) The repatriation grant is intended to facilitate the relocation of expatriate staff members to a country other than the country of their last duty station, provided that such staff members meet the conditions contained in this rule.

Definitions

- (b) For the purpose of this rule:
- (i) “Country of nationality” is the country of nationality recognized by the Court;
 - (ii) “Dependent child” is a child recognized as dependent under staff rule 103.17 at the time of a staff member’s separation from service;
 - (iii) “Home country” is the country of home leave entitlement under staff rule 105.6 or such other country as the Registrar or the Prosecutor, as appropriate, may determine;
 - (iv) “Obligation to repatriate” is the obligation to return a staff member and his or her spouse and dependent children, upon separation, at the Court’s expense, to a place outside the country of the last duty station;
 - (v) “Qualifying service” is one year or more of continuing service and residence away from the home country and the country of nationality of a staff member, or the country where the staff member has acquired permanent resident status. Continuity of service is not broken by periods of special leave; however, periods of special leave without pay of more than 20 working days are not included in the calculation of qualifying service.

Eligibility

- (c) An internationally recruited staff member shall be entitled to be paid a repatriation grant if the following conditions are met:

- (i) The Court has an obligation to repatriate the staff member;
 - (ii) The staff member completes qualifying service of one year or more; and
 - (iii) The staff member resides outside his or her country of nationality while serving at the last duty station.
- (d) No repatriation grant shall be paid to:
- (i) A staff member who is summarily dismissed;
 - (ii) A staff member who is separated from service by reason of abandonment of post;
 - (iii) A staff member locally recruited under staff rule 104.9;
 - (iv) A staff member who has permanent resident status in the country of the duty station at the time of separation.

Evidence of relocation

- (e) Payment of the repatriation grant after separation of an eligible staff member shall be subject to the prior submission of documentary evidence satisfactory to the Registrar or the Prosecutor, as appropriate, that the former staff member has relocated away from the country of the last duty station.

Amount and computation of the grant

- (f) The amount of repatriation grant for an eligible staff member shall be calculated as follows:

	Staff member with a spouse or dependent child at the time of separation	Staff member with neither a spouse nor dependent child at the time of separation	
		Professional and higher categories	General Service category
Years of continuous service away from home country	Weeks of base salary		
1	4	3	2
2	8	5	4
3	10	6	5
4	12	7	6
5	14	8	7
6	16	9	8
7	18	10	9
8	20	11	10
9	22	13	11
10	24	14	12

	Staff member with a spouse or dependent child at the time of separation	Staff member with neither a spouse nor dependent child at the time of separation	
		Professional and higher categories	General Service category
Years of continuous service away from home country	Weeks of base salary		
11	26	15	13
12 or more	28	16	14

- (g) Where both spouses are staff members of organizations applying the United Nations common system standards and each is entitled, on separation, to payment of a repatriation grant, payment shall be made to each staff member, at single rates, according to their respective entitlements. In cases where dependent children are recognized, the first parent to be separated may claim payment at the rate applicable to a staff member with a spouse or dependent child. In this event, the second parent, on separation, may claim payment at the single rate for the whole period of qualifying service, or, if eligible, at the rate applicable to a staff member with a spouse or dependent child for the whole period of his or her qualifying service, from which is normally deducted the difference between the dependency rate and the single rate of the repatriation grant paid to the first parent.

Time limitation for submission of the claim

- (h) Entitlement to the repatriation grant shall cease if no claim is submitted within two years of the effective date of separation. However, where both spouses are staff members and the spouse who separates first is entitled to the repatriation grant, the claim for payment of the grant by that spouse may be submitted within two years of the date of separation of the other spouse.

Payment in case of the death of an eligible staff member

- (i) In the event of the death of an eligible staff member, no payment shall be made unless there is a surviving spouse or one or more dependent children whom the Court is obliged to repatriate. If there are one or more such survivors, payment shall be made in accordance with paragraph (f), subject to the provision of sufficient evidence of relocation.

Rule 109.7: Commutation and restitution of leave

Commutation

- (a) If, upon separation from service, a staff member has accrued annual leave, the staff member shall be paid a lump sum covering the number of days of such accrued leave up to a maximum of 60 working days. The payment shall be calculated:
 - (i) For a staff member in the Professional and higher categories, on the basis of the staff member's base salary and post adjustment at the time of separation;
 - (ii) For a staff member in the General Service category, on the basis of the staff member's base salary and language allowance, if any, at the time of separation.

Restitution

- (b) Upon separation, a staff member who has taken advance annual or sick leave beyond that which he or she has subsequently accrued shall make restitution for such advance leave by means of a cash refund or an offset against monies due to the staff member from the Court, equivalent to the remuneration received, including allowances and other payments, in respect of the advance leave period.

Rule 109.8: Recovery

- (a) Upon separation, any amount owed to the Court by a staff member shall be deducted from any outstanding payments or entitlements due to the staff member.
- (b) If there is no possibility of recovery in accordance with paragraph (a), the staff member shall reimburse the Court for the amount due within 30 days of separation from service.

Rule 109.9: Last day for pay purposes

- (a) Upon separation from service, the date on which a staff member's entitlement to salary, allowances and benefits ceases shall be determined in accordance with the following provisions:
 - (i) On resignation, the date is either the date of expiration of the notice period under staff rule 109.3 or such other date as the Registrar or the Prosecutor, as appropriate, accepts. A staff member is expected to perform his or her duties during the period of notice of resignation, except when the resignation takes effect upon the completion of maternity leave or following sick or special leave. Annual leave may be granted during the notice of resignation only for brief periods;
 - (ii) On expiration of a fixed-term appointment, the date is the date specified in the letter of appointment;
 - (iii) On termination, the date is the date provided in the notice of termination;
 - (iv) In the case of summary dismissal, the date is the date of dismissal.

- (b) When an internationally recruited staff member has an entitlement to return travel under staff rule 107.1 (a)(iii), this shall not affect the determination of the last day for pay purposes in accordance with the provisions of paragraph (a). In the case of resignation, expiration of fixed-term appointment or termination, the staff member shall be paid, on separation, an additional amount for days of authorized travel estimated on the basis of uninterrupted travel by an approved route and mode from the duty station to the place of entitlement to return travel. Such amount shall be calculated in the same manner as the commutation of accrued annual leave under staff rule 109.7.

Rule 109.10: Certification of service

Upon separation from service, a staff member shall be given, upon request, a statement relating to the nature of his or her duties and the length of service.

Failure by a staff member to act in accordance with any official document of the Court governing rights and obligations of staff members, such as the Staff Regulations and Rules and the Financial Regulations and Rules, or any relevant resolutions and decisions of the Assembly of States Parties, or failure to observe the standards of conduct expected of an international civil servant, may amount to unsatisfactory conduct within the meaning of staff regulation 10.2(a), leading to the institution of disciplinary proceedings and the imposition of disciplinary measures.

Rule 110.2: Due process

- (a) No disciplinary proceedings may be instituted against a staff member until after he or she has been notified in writing of the allegations against him or her and of the right to seek the assistance of another person in his or her defence, and has been given a reasonable opportunity to respond to those allegations.
- (b) No staff member may be subject to disciplinary measures until after the referral of the matter to a Disciplinary Advisory Board for advice as to what measures, if any, are appropriate, except that no such advice shall be required:
 - (i) If referral to the Disciplinary Advisory Board is waived by mutual agreement of the staff member concerned and the Registrar or the Prosecutor, as appropriate; or
 - (ii) In respect of summary dismissal imposed by the Registrar or the Prosecutor, as appropriate, in cases of serious misconduct.
- (c) In cases of summary dismissal imposed without prior referral of the case to a Disciplinary Advisory Board in accordance with paragraph (b)(ii), the former staff member concerned may, within sixty days of receiving written notification of the measure, request that the measure be reviewed by a Disciplinary Advisory Board. Such a request shall not have the effect of suspending the measure. After receipt of the advice of the Disciplinary Advisory Board, the Registrar or the Prosecutor, as appropriate, shall decide as soon as possible what action to take in respect thereof.
- (d) A staff member shall be entitled to be represented or assisted by a staff member or a former staff member of his or her choosing during the course of disciplinary proceedings at his or her own expense.

- (f) The members of the Disciplinary Advisory Board, their alternates, the Secretary and his or her alternate shall be appointed or elected for two years, shall be eligible for re-appointment or re-election, and shall remain in office until their successors are appointed or elected.
- (g) If it is necessary to replace a member of the Disciplinary Advisory Board or an alternate because he or she has left the service of the Court, or for any other reason, such replacement shall be made for the remainder of the term of office, in accordance with paragraph (b) or (d), respectively.
- (h) Any member of the Disciplinary Advisory Board may be removed for cause from the Disciplinary Advisory Board by the Registrar, in consultation with the Presidency, the Prosecutor or the staff representative body, as appropriate.
- (i) A staff member facing disciplinary proceedings shall be entitled to be informed of the composition of the Disciplinary Advisory Board.
- (j) Any member or alternate member of the Disciplinary Advisory Board, at the request of either party or on his or her own motion, may disqualify himself or herself from the consideration of a specific case if, in his or her opinion, such action is warranted to ensure impartiality. The Chairperson may also excuse any member from the consideration of a case.
- (k) An alternate member shall serve on the Disciplinary Advisory Board to consider any case for which a member is unavailable, disqualified, excused or barred on the grounds of confidentiality pursuant to paragraph (l).

- (l) If, in the opinion of the Registrar or the Prosecutor, as appropriate, consideration of the case involves sensitive matters specific to one organ, he or she may require, on an exceptional basis, the Secretary of the Disciplinary Advisory Board to constitute a Disciplinary Advisory Board composed solely of members who are staff members of the organ concerned.

Rule 110.4: Procedures of the Disciplinary Advisory Board

- (a) The Disciplinary Advisory Board shall consider a disciplinary case at the request of the Registrar or the Prosecutor, as appropriate.
- (b) In considering a case, the Disciplinary Advisory Board shall act with the maximum dispatch and shall provide its advice to the Registrar or the Prosecutor, as appropriate, within thirty calendar days of the case being referred by the Registrar or the Prosecutor, as appropriate, to the Disciplinary Advisory Board.
- (c) Normally, proceedings before the Disciplinary Advisory Board shall be limited to the original presentation of the case together with brief statements and rebuttals, which may be made orally or in writing, without delay by the staff member in one of the working languages of the Court.
- (d) If the Disciplinary Advisory Board considers that it requires the testimony of the staff member concerned or of other witnesses, it may, at its sole discretion, obtain such testimony by written deposition, by personal appearance before the Board, or by telephone or other means of communication.
- (e) The Disciplinary Advisory Board shall, by majority vote, adopt and submit a report to the Registrar or the Prosecutor, as appropriate. The report shall constitute the record of the proceedings in the case and shall include a summary of the case, together with the Board's advice as to what disciplinary measures, if any, should be taken. Votes on the advice shall be recorded, and any dissenting opinion of a member of the Disciplinary Advisory Board included in the report.
- (f) The Registrar, in consultation with the Prosecutor, shall establish further rules on disciplinary proceedings.

Rule 110.5: Suspension during disciplinary proceedings

- (a) If the Registrar or the Prosecutor, as appropriate, decides that the staff member's continuance in service would prejudice the interests of the Court, the staff member may be suspended from duty during the fact finding and pending completion of disciplinary proceedings for a period which should normally not exceed three months. Such suspension shall be with pay unless, in exceptional circumstances, the Registrar or the Prosecutor, as appropriate, decides that suspension without pay is appropriate. The suspension shall be without prejudice to the rights of the staff member and shall not constitute a disciplinary measure.
- (b) A staff member suspended pursuant to paragraph (a) shall be given a written statement of the reasons for the suspension and its probable duration.

- (c) If the staff member is not summarily dismissed, he or she shall be paid for any period of suspension without pay as if he or she had not been suspended. In the event of summary dismissal, the effective date of such dismissal shall be the date when the decision of suspension without pay has been communicated to the staff member. No entitlements shall accrue during the period of suspension.

Rule 110.6: Disciplinary measures

- (a) Disciplinary measures may be imposed by the Registrar or the Prosecutor, as appropriate, and may take one or more of the following forms:

Rule 110.7: Summary dismissal for serious misconduct

- (b) Without limiting the circumstances in which a staff member may be summarily dismissed, a staff member's failure to observe the standards of confidentiality set out in staff regulation 1.2(j) may warrant his or her summary dismissal.
- (c) Summary dismissal of a staff member for serious misconduct shall not abrogate that staff member's right to due process, pursuant to staff rule 110.2.

Rule 110.8: Appeal against disciplinary decision

A final disciplinary decision by the Registrar or the Prosecutor, as appropriate, reached at the conclusion of disciplinary proceedings in which the advice of the Disciplinary Advisory Board is sought, may be appealed to the Administrative Tribunal of the International Labour Organization.

CHAPTER XI: APPEALS**Rule 111.1: Appeals against administrative decisions**

- (a) Every staff member shall have the right to appeal against an administrative decision alleging the non-observance of his or her terms of appointment, including all pertinent regulations and rules.
- (b) A staff member who wishes to exercise his or her right to appeal against an administrative decision shall first submit a request in writing to the Secretary of the Board, within thirty days of notification of the decision, for a review of the decision by the Registrar or the Prosecutor, as appropriate.
- (c) In reviewing an administrative decision, the Registrar or the Prosecutor, as appropriate, may, with the consent of the staff member concerned, seek the assistance of a member of the Appeals Board with a view to resolving the case. This procedure shall be without prejudice to the staff member's right to appeal to the Appeals Board if the issue cannot be resolved by conciliation.
- (d) After the review, the Registrar or the Prosecutor, as appropriate, shall inform the staff member in writing of his or her decision. A staff member who wishes to appeal against the decision resulting from the review shall do so in writing to the Secretary of the Board within thirty days of notification of the decision. The Registrar or the Prosecutor, as appropriate, shall forward this request to the Appeals Board.
- (e) A staff member shall be entitled to be represented or assisted by a staff member or a former staff member of his or her choosing during the course of appeals proceedings at his or her own expense.

Rule 111.2: Appeals Board

- (a) An Appeals Board, consisting of three members, shall advise the Registrar or the Prosecutor, as appropriate, regarding appeals brought by any staff member under staff regulation 11.1.
- (b) The Appeals Board shall be composed of:
 - (i) One member and two alternate members appointed by the Registrar, in consultation with the Presidency;
 - (ii) One member and two alternate members appointed by the Prosecutor; and
 - (iii) One member and two alternate members elected by the staff representative body, at least one of whom shall be a staff member of the Office of the Prosecutor.
- (c) The members of the Appeals Board shall decide by majority vote which of them shall act as Chairperson of the Appeals Board.
- (d) A Secretary and an alternate Secretary shall be appointed to the Appeals Board by the Registrar, in consultation with the Prosecutor. The Secretary shall convene meetings of and coordinate all matters related to the Appeals Board.

- (e) The members of the Appeals Board, their alternates, the Secretary and his or her alternate shall be staff members of the Court.
- (f) The members of the Appeals Board, their alternates and the Secretary and his or her alternate shall be appointed or elected for two years, shall be eligible for re-appointment or re-election and shall remain in office until their successors are appointed or elected.
- (g) If it is necessary to replace a member of the Appeals Board, an alternate, or the Secretary or his or her alternate because he or she has left the service of the Court or for any other reason, such replacement shall be made for the remainder of the term of office, in accordance with paragraph (b) or (d), respectively.
- (h) Any member of the Appeals Board may be removed for cause from the Appeals Board by the Registrar, in consultation with the Presidency, the Prosecutor, or the staff representative body, as appropriate.
- (i) A staff member who appeals against an administrative decision shall be entitled to be informed of the composition of the Appeals Board.
- (j) Any member or alternate member of the Appeals Board, at the request of either party or on his or her own motion, may disqualify any member of the Appeals Board from considering a specific appeal, if, in his or her opinion, such action is warranted to ensure impartiality. The Chairperson may also excuse any member from considering an appeal. No person who has participated in the conciliation process during consideration of a specific case may serve on the Appeals Board considering an appeal relating to the same case.
- (k) An alternate member shall serve on the Appeals Board to consider an appeal for which a member is unavailable, disqualified or excused or barred on the grounds of confidentiality pursuant to paragraph (l).
- (l) If, in the opinion of the Registrar or the Prosecutor, as appropriate, consideration of the appeal involves matters of confidentiality specific to one organ, he or she may require the Secretary of the Appeals Board to constitute an Appeals Board comprised solely of members who are staff members of the organ concerned.

Rule 111.3: Procedures of the Appeals Board

- (a) The Appeals Board shall decide on questions of its own competence.
- (b) An appeal may not be heard by the Appeals Board until all of the time limits established by staff rule 111.1 have been met or have been waived by the Appeals Board by reason of exceptional circumstances beyond the control of the staff member.
- (c) In considering an appeal, the Appeals Board shall act with the maximum dispatch consistent with a fair review of the issues before it and shall advise the Registrar or the Prosecutor, as appropriate, within ninety calendar days of the case being brought to the attention of the Appeals Board.

- (d) The Appeals Board shall have the authority to obtain evidence, in any form it requires, from any staff member or third party, if appropriate, who may be able to provide information concerning the issues in the appeal.
- (e) In the event of termination or other action on grounds of unsatisfactory services or unsuitability of a staff member, the Appeals Board shall not consider the substantive questions of unsatisfactory service or unsuitability, but only evidence that the decision has been motivated by prejudice or by some other extraneous factor.
- (f) The Appeals Board shall, by majority vote, adopt and submit a report to the Registrar or the Prosecutor, as appropriate, as soon as possible after considering the appeal. The report shall constitute the record of the proceedings in the appeal and shall include a summary of the appeal, together with the Appeals Board's advice on the appeal. Votes on the advice shall be recorded, and any dissenting opinion of a member of the Appeals Board included in the report.
- (g) Within thirty days of the Appeals Board submitting its report, the final decision on the appeal shall be taken by the Registrar or the Prosecutor, as appropriate, and communicated to the staff member, together with a copy of the Appeals Board's report. No final decision by the Registrar or the Prosecutor, as appropriate, shall be deemed a rejection of the appeal.
- (h) To enable a staff member to exercise his or her right to file a complaint with the Administrative Tribunal of the International Labour Organization under article VII, paragraph 3, of its Statute, the Secretary of the Appeals Board, at the request of the staff member, shall provide him or her with a copy of the Appeals Board's report if the Registrar or the Prosecutor, as appropriate, has not made a final decision on the appeal within thirty days of the report being submitted.

Rule 111.4: Suspension of the administrative decision during appeal

- (a) Neither a request for administrative review, an attempt at conciliation, nor the filing with the Appeals Board of an appeal against a decision resulting from a review shall have the effect of suspending action on the contested decision.
- (b) Notwithstanding paragraph (a), a staff member may request a suspension of action on such a decision by writing to the Appeals Board Secretary, setting out the relevant facts and how implementation would directly and irreparably injure the staff member's rights.
- (c) Upon receipt of such a request, the Appeals Board shall hear the request promptly and expeditiously and consider the views of the appealing staff member, as well as of the Registrar or the Prosecutor, as appropriate. If the Appeals Board determines that the decision has not been implemented, and that its implementation would result in irreparable injury to the staff member, it may recommend to the Registrar or the Prosecutor, as appropriate, the suspension of action on that decision until the time limits in staff rule 111.1 have passed without an appeal being filed or, if an appeal is filed, until a final decision on the appeal is made.

- (d) The decision of the Registrar or the Prosecutor, as appropriate, on a recommendation under paragraph (c) shall be final and shall not be subject to appeal within the Court.

Rule 111.5: Appeal to the administrative tribunal of the International Labour Organization

A staff member may appeal to the Administrative Tribunal of the International Labour Organization within ninety calendar days of the final decision by the Registrar or the Prosecutor, as appropriate, pursuant to staff rule 111.3(g), or the advice of the Appeals Board in the case of no final decision, also pursuant to staff rule 111.3(g).
