#### Webcasting

The live webcast will be available at the UN website at the following link: [webtv.un.org](http://webtv.un.org).

#### Requests for side events

As the Secretariat of the Assembly does not allocate rooms at UNHQ for side events nor can the Secretariat cover any costs associated with these events, delegations interested in organizing side events would have to request a conference room directly from the UN via their UN Missions. Their request should be directly addressed to DGACM/MMS. MMS will then dispatch the pre-booking to requestors via eMeets (<http://icms.un.org>).

Requestors click on the link provided and edit the title, contacts and participants. While editing the room setups, requestors should indicate their requirement for podium signs and services, which may be necessary (sound engineer, power-point presentation, interpretation, etc.).

The UN has indicated that interpretation services would only be provided from 10 to 1 p.m. and from 3 p.m. to 6 p.m. However, organizers have the option to bring interpreters for their side-events but have to inform MMS accordingly.

For any eMeets assistance, please call the main lines for MMS: (212) 963-8114/963-7351.

Please kindly note that the Secretariat does not send invitations to side events. The invitations should be sent by organizers for their respective side event.

Once the conference room is reserved, please let the Secretariat know the title of the event, names of the organizers, date, time and venue to be included in the ASP Journal. Please send an email to [esterluteran@gmail.com](mailto:esterluteran@gmail.com). Modifications to the ASP Journal will be reflected in the following version.

The United Nations does not allow food or beverages in the conference rooms. Catering can be arranged directly outside of the conference rooms by contacting UN Catering at +1 212 963 7099.
