Note verbale

The Embassy of the People's Republic of Bangladesh in The Hague presents its compliments to the Secretariat of the Assembly of States Parties to the Rome Statute and with reference to the former's Notes No. ICC-ASP/17/SP/02 dated 14 March 2018 and ICC-ASP/17/SP/33 dated 29 August 2018 has the honour to inform that the Government of the People's Republic of Bangladesh has decided to nominate H.E. Sheikh Mohammed Belal, presently Ambassador of Bangladesh to the Kingdom of the Netherlands for election as a member of the Board of Directors of the Trust Fund for Victims, at the elections to be held during the seventeenth session of the Assembly of States Parties in The Hague from 5 to 12 December 2018.

The Government of Bangladesh considers that H.E. Sheikh Mohammed Belal meets the requirements set out in paragraph 1 of the Resolution ICC-ASP/1/Res.7. Ambassador Sheikh Mohammed Belal is of high moral character, impartiality and integrity and has competence in the assistance of victims of serious crimes. He served as the Assembly of States Parties' The Hague Working Group Facilitator for Victims for the period 2015-2016; and as the HWG Facilitator, he played a committed role in advancing the issues of the victims of the serious crimes. A C.V. of Ambassador Sheikh Mohammed Belal is attached herewith.

Statement of qualifications

This is a statement submitted in accordance with paragraph 6 of the resolution of the Assembly of States Parties relating to the procedure for the nomination and election of members of the Board of Directors of the Trust Fund for Victims for the benefit of Victims (ICC-ASP/1/Res.7), adopted on 9 September 2002.

Ambassador Sheikh Mohammed Belal meets the criteria established in paragraph 1 of the above mentioned resolution; "the candidates [shall] be of high moral character, impartiality, integrity and have competence in the assistance to victims of serious crimes."

Following obtaining his Masters in Public Administration from Harvard University of USA in 2012, Mr. Belal devoted his career towards furthering Bangladesh's advocacy for diplomacy, disarmament and justice for the victims. His quest for working for peace and justice took a boost when he was appointed as Bangladesh Ambassador to the Netherlands with residence in The Hague-the city of peace and justice.

In his role as Bangladesh Ambassador to the Netherlands, Ambassador Belal has been working as Bangladesh Permanent Representative to the International Criminal Court (ICC), Organization for the Prohibition of Chemical Weapons (OPCW), Permanent Court of Arbitration (PCA), Common Fund for Commodity (CFC), etc.

Ambassador Belal has been a frequent participant and speaker, as Bangladesh representative, in events at the International Court of Justice (ICJ), International Criminal Tribunal for the former Yugoslavia (ICTY)/ United Nations International Residual Mechanism for Criminal Tribunals (MICT), Special Tribunal for Lebanon (STL), etc. Mr. Belal is a frequent speaker and guest at the T.M.C Asser Institute, The Hague in his quest to make a knowledge-bridge between institutions of Bangladesh and the Netherlands. Ambassador Belal has been working constantly to make connectivity between the legal institutions based in The Hague and Bangladesh. Ambassador Belal has been instrumental in arranging a good number of judicial delegation visits between Bangladesh and the Netherlands including that of the Chief Justice of Bangladesh.

Ambassador Belal represented Bangladesh during his nation's historic achievement of peaceful settlement of maritime disputes with India at the Permanent Court of Arbitration (PCA) and led the process that resulted in gaining access to a maritime territory that has changed Bangladesh's maritime history forever. Ever since, Ambassador Belal has

involved himself in a series of speaking engagements highlighting the importance of peaceful settlement of disputes and importance of diplomacy.

During his stay in the Netherlands, Ambassador Belal was elected as Chairperson of the Executive Council of the OPCW for the 2017-2018 term. Mr. Belal was the first-ever Chairperson from Bangladesh in the twenty years' plus history of the OCPW. Although his tenure as the Chair of the Executive Council, an apex organ of OPCW comprising 41 of the OPCW's 193 member States, was hugely challenging because of ongoing civil war in Syria and repeated alleged uses of chemical weapons in several countries, Mr. Belal conducted his business with utmost professionalism and sincerity.

Ambassador Belal oversaw the process of appointment of the incumbent Director-General of the OPCW, which happens only after eight years, to the satisfaction of all. His innovative, calm and candid approach helped conclude this rather arduous job in the shortest possible time. The hallmark of Mr. Belal's tenure as Chairperson of the Executive Council was his ability to engage almost all 193 State Parties in the affairs of the OPCW despite his mandate to work as Chair of the 41-member Executive Council.

Always on the look-out for innovations and creativity, Mr. Belal remained engaged with all key stakeholders in dialogue and negotiations to pursue consensus culture of the organization. In addition to his role as Chair of the Executive Council, Mr. Belal also worked in a host of other capacities like Chairperson of Credential Committee for the Conference of State Parties (CSP), Vice Chairperson for the CSP of OPCW as well as Vice-Chairperson of the Governing Council of the CFC.

While working with all these organizations, Mr. Belal was also instrumental in arranging hosts of training programs in his home country, including trainings for "First Respondents for Chemical Attack" with the assistance of OPCW and other organizations.

Mr. Belal always pursues a policy of "humanity first" despite being a representative of a nation state. In his pursuit for peace and justice, Mr. Belal has been able to vindicate that when resolution is for the "common good" it is always good for one's nation's interests as well.

In his engagements with the ICC, Mr. Belal has been a constant voice and activist for the cause of victims. Perhaps this was the reason why the Bureau appointed him as "Facilitator for the Trust Fund of Victims" for the term 2015-2016. Ambassador Belal was also a member of the panel of Ambassadors, appointed by the President of ASP for nomination of Head of IOM at the ICC in the recent past.

While working with TFV, Mr. Belal had been a constant promoter of innovative outreach for fund raising and has since been pursuing TFV to appoint at least one professional fund raising expert at the TFV. Mr. Belal has been a constant catalyst to TFV for fund raising, even after the completion of his tenure as Facilitator for the TFV. He made innumerable suggestions to the TFV. Mr. Belal is a believer in sincere outreach no matter how odd it may initially seem. Given his years of experiences in Washington DC, as Deputy Ambassador of Bangladesh Embassy in the USA, Mr. Belal is not only conversant with the fund-raising culture in the USA, also remained in contact with a good number of fund raising experts there. It is expected that Mr. Belal will be hugely helpful in complementing TFV's fund raising drive in the future.

Mr. Belal's conviction in the well being of victims is more than personal. Given his upbringing, in the early years of Bangladesh's independence, after a bloody war and genocide, Ambassador Belal took upon himself the cause of coming to the aid of victims. It is because of this belief and spirit of making a difference, Mr. Belal has represented Bangladesh to all the Sessions of the Assembly of State Parties (ASP) of the ICC from 2015 to 2017. He has been a voice for geographical and gender balance in the ICC and beyond. It is during his tenure, Bangladesh was elected during ASP 2017 as a member of the Bureau, for the first time ever.

Before coming over to The Hague, Mr. Belal worked as Director General in the Ministry of Foreign Affairs of Bangladesh with jurisdiction over East Asia and the Pacific. During his tenure as Director General, Mr. Belal was instrumental in spearheading Bangladesh's relations with a good number of countries like Australia, New Zealand, People's Republic of China, Republic of Korea, Democratic Republic of Korea, Japan and a

number of Pacific Island countries. At the same time, Mr. Belal also acted as focal point for the government of Bangladesh for a number of international and regional organizations. During this time, Mr. Belal also led his country's delegation in a number of international and regional organizations.

Mr. Belal, despite overwhelming engagements with his present job, continues his voluntary portfolio as President of Alumni Association of Institute of Forestry and Environmental Sciences (IFESCU), Chittagong University in his home country. Given his leadership and known fund raising prowess, Ambassador Belal has been working hard to establish the first-ever career development center for students of his Institute and making sure that incoming students will be much better endowed to take up the challenges of a climatically vulnerable country like Bangladesh.

During his tenure in The Hague, there have been quite a few firsts' ever: first ever official visit of any Prime Minister from Bangladesh to the Netherlands, visit of Her Majesty Queen of the Netherlands to Bangladesh, Bangladesh's election as Chairperson of the Executive Council of the OPCW, Vice-Chairperson of the Governing Council of CFC and counting.

In his pro bono role as Director of "Center for Asia Leadership" in the Harvard University, USA, Mr. Belal has been instrumental in arranging exchange of visits of students and fellows from Harvard University to Bangladesh on a regular basis. As an active member of alumni in the Harvard and few other universities, Mr. Belal is blessed to have a vast network of friends and peers across the globe. Ambassador Belal looks forward to availing their good will to make the workings of TFV as a vocation for all people to bring much needed solace to the victims.

[Original: English]

Note verbale

Embassy of Georgia to the Kingdom of the Netherlands presents its compliments to the Secretariat of the Assembly of States Parties to the Rome Statute of the International Criminal Court and, with reference to the latter's note no. ICC-ASP/17/SP/36 dated 12 September 2018, has the honor to inform that the Government of Georgia has decided to nominate Deputy Minister of Justice Mr. Gocha Lordkipanidze as a candidate for election of members of the Board of Directors of the Trust Fund for the benefit of Victims adopted by the Assembly of State Parties on 9 September 2002. The elections to be held during the seventeenth session of the Assembly of States Parties from 5 to 12 December 2018, in the Hague.

The statement of qualifications submitted in accordance with article 36 (4) (a) of the Rome Statute and curriculum vitae of Mr. Gocha Lordkipanidze are attached hereto.

Statement of qualifications

This statement is submitted pursuant to the resolution of the Assembly of States Parties on the Procedure for the nomination and election of members of the Board of Directors of the Trust Fund for Victims (ICC-ASP/1/Res.7).

Mr. Gocha Lordkipanidze fully complies with requirements for nomination set out in paragraph 1 of the above resolution: he is of high moral character, impartiality and integrity and has competence in the assistance to victims of serious crimes.

This is best attested by his continued public service for more than two decades and firm commitment to international law, human rights and assistance to victims of serious crimes. Mr. Gocha Lordkipanidze has extensive experience of working in assisting victims of serious crimes both in terms of policy and practice:

Since 90ies he has worked on legal, political and humanitarian aspects of the conflict resolution in Georgia to address in particular the needs of victims of grave humanitarian and human rights violations, including ethnic cleansing. He himself participated in the humanitarian aid operation in 1992 to assist the population in the town of Tkvarcheli in Abkhazia, drafted Georgia's report on the policy of ethnic cleansing in Abkhazia, Georgia in 1997 particularly highlighting means of international justice to address the interests of the victims. He frequently represented the Ministry of Foreign Affairs on international law and international human rights issues at UN various human rights bodies, including Human Rights Commission. In the same spirit, as a board member of Georgian Red Cross Society contributed substantially to raising awareness in humanitarian law in the country. He drafted the mandate of Georgian delegation for negotiation of the Rome Statute, proposed and advocated Georgia's joining of Like-minded Group of States, participated in negotiations leading to adoption of Rome Statute in 1998 and then in the framework of the Preparatory Commission for the Establishment of the International Criminal Court.

His work as adjunct-professor at Columbia University School of International and Public Affairs (SIPA) merits to be particularly highlighted as being focused on women rights, gender mainstreaming and IDP's political participation.

Currently Mr. Gocha Lordkipanidze as a Deputy Justice Minister of Georgia leads interstate litigation with the European Court of Human Rights (ECHR) on behalf of the victims as well as directs the work in execution of the ECHR decisions with respect to victims of violations of European Convention on Human Rights. He also represents Georgia in relations with International Criminal Court, deals with cooperation with ICC and Trust Fund for Victims.

Mr. Lordkipanidze as a co-chair of the Interagency Gender Commission, contributes and coordinates interagency efforts to draft and meet commitments under the action plans on gender equality, violence against women and domestic violence and UN Security

Council resolution 1325 on women, peace and security. His track-record also include drafting Human Rights Strategy of Georgia (2014-2020) with strong element of women rights, gender equality and fight against violence against women as a co-chair of Interagency Council; coordinating interagency efforts in elaboration of guidelines for law enforcements on human trafficking issues with the focus on the identification of THB victims, treatment of women and child victims, providing/offering needs-based assistance to the victims in the framework of Interagency Council against Human Trafficking; leading efforts in Interagency Humanitarian Commission (IHL) of Georgia to further develop the legal framework on missing persons in time of armed conflict, putting in place relevant instruments to combat and prevent the sexual and gender based violence during and after the armed conflict, promoting protection of IDP women from sexual, domestic and gender-based violence, ensuring their access to medical, psychological and legal assistance service.

As a member of Council of Europe Gender Equality Commission (GEC) Mr. Lordkipanidze continues to take efforts to upgrade the importance of working with perpetrators of violence against women and domestic violence at GEC thematic discussions.

Having this premise, Assembly of State Parties of the Rome Statute can be confident in investing Mr. Gocha Lordkipanidze's experience and knowledge into the position of a member of the Board of Directors of the Trust Fund for Victims.

5. Michelini, Felipe (Uruguay)

[Original: Spanish]

Note verbale

The Embassy of the Oriental Republic of Uruguay in the Kingdom of the Netherlands presents its most esteemed compliments to the Secretariat of the Assembly of States Parties of the International Criminal Court and has the honour to refer to its Note Verbale ICC-ASP/17/SP/02 dated 14 March 2018, regarding the nomination of candidates for the election of members of the Board of Directors of the International Criminal Court's Trust Fund for Victims, to be held In The Hague, from 5 to 12 December 2018, during the seventeenth session of the Assembly.

The Embassy of Uruguay is pleased to communicate that the Government of Uruguay has decided to present the candidature of Dr. Felipe Michelini for re-election as a member of the Board of Directors of the Trust Fund for Victims, established under Article 79 of the Rome Statute.

As certified by the attached statement of qualifications, the Government of the Oriental Republic of Uruguay considers that Dr. Felipe Michelini is a person of high moral character, impartiality and integrity who possesses experience and competence in the assistance to victims of serious crimes, thus fully satisfying the requirements specified in paragraph 1 of Resolution ACC-ASP/1/Res. 7 of the Assembly of States Parties.

Statement of qualifications

This statement is presented in accordance with paragraph 6 of the resolution of the Assembly of States Parties on the Procedure for the nomination and election of members of the Board of Directors of the Trust Fund for Victims (ICC-ASP/1/Res.7).

Dr. Felipe Michelini fully meets the criteria for nomination set out in paragraph 1 of the above resolution (ICC-ASP/1/Res.7): "the candidates [should] be of high moral character, impartiality and integrity and have competence in the assistance to victims of serious crimes".

Indeed, the requisite qualities of high moral character, impartiality and integrity are entirely met by this candidate. These same qualities were a decisive factor in his election by the Assembly of States Parties in December 2015 on the occasion of the fifth election of members of the Board of Directors of the Trust Fund for Victims. Dr. Michelini has honoured the commitment taken on, engaging in intense activity in order to achieve the aims and purposes of the Trust Fund for Victims in the framework of the Rome Statute.

In recognition of that very approach, informed by Dr. Michelini's moral qualities, his impartiality, integrity and competence, the current President of the Oriental Republic of Uruguay, Dr. Tabaré Vázquez, appointed him a member of the "Working Group on Truth and Justice". This initiative brings together a core group of seven citizens who "...by virtue of their personal trajectory, can guarantee the criterion of independence, equanimity and full autonomy in the discharge of their duties..." for the purpose of fulfilling the primary aim of investigating crimes against humanity perpetrated in the context of Uruguay's recent past (Decree CM/118 of 19 May 2015).

From a young age, Dr. Michelini has worked to defend victims of authoritarianism at the national and international level. Particularly noteworthy was his role in the United Nations technical team which supported the UN initiative resulting in the Peace Agreements of the Truth Commission [for El Salvador] (1992-1993). He was also a delegate of that Truth Commission before the ad hoc Commission set up with the aim of removing from their positions members of the security forces from that period so as to bring together the people of El Salvador as a family.

The commitment shown by Dr. Michelini to the cause of justice and the fight against the culture of impunity, central pillars of the Rome Statute which established the International Criminal Court, has been reflected in his academic articles, his parliamentary activity and his continuous activism. The promotion of the universality, integrity and effectiveness of the Rome Statute has been a constant in his parliamentary and teaching

work. Similarly, he took decisive action in terms of the proposal, creation and launch of the Consultative Assembly for the International Criminal Court and the Rule of Law promoted by the Non-Governmental Organization Parliamentarians for Global Action. Within this organization, he has acted as moderator, rapporteur, speaker and organizer in his capacity as member of the Executive Committee and head of its International Law and Human Rights programme.

In addition to his commitment to the cause of justice in the face of heinous crimes, Dr. Michelini has the benefit of his vast experience with the United Nations Educational, Scientific and Cultural Organization – UNESCO – having exercised the office of Vice-President of the Executive Board, his participation in the Ibero-American Summit on Justice in his capacity as Vice-Minister and Minister for Education and Culture, as well as two decades as a parliamentarian for Uruguay and for PARLASUR, the legislative organ of MERCOSUR. In that capacity, he promoted the Cooperation Agreement between the latter and the International Criminal Court. Furthermore, he has collaborated as an academic at various universities in Latin America, Europe and the United States.

All of these qualities allow us to affirm, without a shadow of a doubt, that Dr. Felipe Michelini possesses the capabilities to fully achieve the purposes and objectives of the Trust Fund for Victims. In this second term, through his efforts he will make a substantial contribution in terms of applying equitable criteria, with respect to both elements of the Fund's mandate, relating to Reparations and Assistance, and in terms of seeking funds in accordance with established principles.
