

SGG – 21 May 2021

Your Excellencies,

On behalf of the Co-Chairs of the Study Group on Governance, Ambassador Laura Dupuy and Ambassador Heinz Walker-Nederkoorn, I am sending you attached their and the Co-focal points' comments on the priorities and deadlines for recommendations they consider to lie within the competence of the Study Group on Governance. The comments are limited to those recommendations that were categorized as the ASP's or both the ASP's and the Court's responsibility. They reflect an initial assessment. Consequently, the Co-Chairs and Co-focal points continue to be available to further discuss their comments with the Review Mechanism.

For the Co-Chairs and Co-focal points, the next step will be to integrate their reflections in the SGG work plan 2021 and elaborate an action plan for the assessment of recommendations that fall within the four mandated topics adopted by the ASP in ICC-ASP/19/Res.6. Further, The Co-Chairs and Co-focal points also intend to discuss their proposal with the Court Focal Points.
