INTRODUCTION

At its eighth plenary meeting, on 26 November 2009, the Assembly of States Parties to the Rome Statute of the International Criminal Court (the Assembly) decided to convene the Review Conference of the Rome Statute of the International Criminal Court (the Review Conference) in Kampala, Uganda from 31 May to 11 June 2010.

On 7 August 2009, the United Nations Secretary General convened the Review Conference and sent letters to all Heads of State.

On 15 September 2009, the President of the Assembly invited Governments to attend the Review Conference (ASP/2009/139).

Further to these, the Secretariat sent invitations to States and other entities in January 2010 (ICC-ASP/RC/SP/55).

The Assembly has a Bureau consisting of the President, two Vice-Presidents and 18 members elected by the Assembly from among the representatives of the States Parties for three-year terms. At the beginning of the sixth session, the Assembly elected H. E. Mr. Christian Wenaweser (Liechtenstein) to serve as President for the period 2008-2011.

According to rule 18 of the *Draft rules of procedure of the Review Conferences*, the Bureau will assist the Conference in the discharge of its responsibilities.

Afternoon meetings from 15:00 to 18:00 hours.

LANGUAGES

Arabic, Chinese, English, French, Russian and Spanish are the official languages, as well as the working languages, of the Conference.

For the Plenary and the meetings of the Working Groups, simultaneous interpretation into Arabic, Chinese, English, French, Russian and Spanish will be provided in the Speke Ballroom.

MEETINGS

The meetings of the Conference and of subsidiary bodies with general membership shall be held in public, unless the Conference decides that exceptional circumstances require that the meetings shall be held in private. As a general rule, meetings of the Bureau and of subsidiary bodies with limited membership shall be held in private, unless the body concerned decides otherwise.

DECISION-MAKING

Every effort shall be made to reach decisions in the Conference and in the Bureau by consensus. If consensus cannot be reached, decisions shall be taken by vote. Each State Party shall have one vote. Decisions on matters of procedure shall be taken by a simple majority of States Parties present and voting. States Parties are reminded of article 112, paragraph 8, of the Rome Statute of the International Criminal Court which reads:

“A State Party which is in arrears in the payment of its financial contributions towards the costs of the Court shall have no vote in the Assembly and in the Bureau if the amount of its arrears equals or exceeds the amount of the contributions due from it for the preceding two full years. The Assembly may, nevertheless, permit such a State Party to vote in the Assembly and in the Bureau if it is satisfied that the failure to pay is due to conditions beyond the control of the State Party.”

As at 14 March 2010, there were 10 States in arrears.

STATEMENTS

Representatives wishing to circulate statements to all participants are requested to provide 250 copies to the meeting room attendant, who will be located in the front of the meeting room.

Alternatively, representatives who do not wish to have their statements circulated but would still wish to help ensure that the impact of their words is equally strong in all languages, are requested to read at a reasonable speed and to hand in 20 copies of the statement for distribution to the President, Rapporteur, Secretariat, and interpreters.

In either case, copies of statements should be delivered to the meeting room attendant before the speaker takes the floor, preferably at the start of the meeting, to allow sufficient time for distribution of statements to the interpreters. Conference participants are reminded that the Secretariat will not be in a position to offer reproduction services for such texts.

If written texts are provided in more than one official language, delegations should indicate clearly which of those texts is to be accepted as the official text. Furthermore, delegates should specify whether that official text will be read out as written or if it should be checked against delivery, in which case the words “check against delivery” should be clearly indicated on the top right corner of the first page.

Other written statements submitted by the designated representatives of entities, intergovernmental organizations and other entities that have received a standing invitation from the General Assembly of the United Nations, regional intergovernmental organizations or other accredited international bodies and non-governmental organizations shall be made available by the ASP Secretariat to representatives of the States Parties and Observer States in the quantities and in the language or languages in which the statements are made available to it, provided that a statement submitted on behalf of non-governmental organization is related to the work of the Conference and is on a subject in which the organization has a special competence.

In accordance with the Bureau’s decision on moving towards “greener” conference serving, delegations and all participants are requested to provide the Secretariat digital versions of their statements, preferably in advance of the meetings (asp@icc-cpi.int).

Written statements shall not be reproduced at the expense of the Conference and shall not be issued as official documents.

A copying machine will be made available at the Speke Poolside Resort ground floor. An operator will be present to assist and charge for the copies made
