DRAFT

Announcements

Inscription for General debate

The first and second day of the Review Conference, namely 31 May and 1 June, shall be devoted to the provisional agenda item entitled “General debate”.

The list of speakers for the general debate was opened from 16 March to 23 April 2010. Delegations who still wish to be inscribed on the list of speakers are requested to contact the Secretariat of the Assembly, via fax +31 70 515 8376 or e-mail to asp@icc-cpi.int, with an indication of their preferred date and segment (morning or afternoon). If possible, the Secretariat would welcome receiving the name of the speaker. Ministerial level representatives would be accorded precedence on the list.

Prepared statements

Speakers at the Review Conference are advised that providing in advance copies of prepared statements which they intend to read out, greatly facilitates the work of the Secretariat by permitting a sufficient number of copies to be distributed to all meeting participants and by assisting interpreters, reporters and press officers in maintaining the quality of the product delivered. Although interpretations rely upon the statement actually delivered, copies of texts help interpreters to correctly render details and nuances. Speakers are therefore encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery, to the Conference Officer in the Speke Ballroom.

Delegations are kindly requested to make 20 copies for minimum distribution to the podium and relevant services. If delegates so wish they may also provide 250 additional copies for general distribution in the Speke Ballroom.

Delegations wishing to make statements available for the media are kindly requested to deliver 50 copies to the Documents Centre (located at the entrance of the Speke Ballroom).

Delegations are also invited to send by e-mail an electronic copy of their statement(s), in one or more of the six official languages, to ensure timely posting of the text on the Assembly web site and as a step to reducing paper usage. Statements should be sent to: asp@icc-cpi.int.
